4th March 2022 (22)

Dear Parents and Carers,

I hope you are all well and keeping safe.

World Book Day

On Thursday 3rd March we celebrated World Book Day and what a great day it was! It was lovely to see our staff and children coming to school in a variety of different book characters. The children took part in many activities throughout the day, which also included reading their favourite book when they heard the bell ring.

We had a great end to the day when parents and carers were invited into school to read a story with their child/children. We were worried about the sheer number of parents, carers and children, but with the use of other rooms and the forest school site, we were able to spread everyone out. It was lovely to see so many parents and carers in school again, after such a long time. I would like to say a huge thank you to Ms Heiler who organised the day with the help of the staff. I think she is already planning the next World Book Day!

Panathlon Bowling Event - Finchley Bowl

On Tuesday 1st March, some talented Eversley pupils (Matthew, Calum, James, Ethan and Romario) travelled to Finchley Bowl to participate in a Panathlon bowling event.

The children had a wonderful time and really enjoyed developing their bowling skills and encouraging one another. We are incredibly proud of the children's attitude and displays of great sportsmanship. All six children did a marvellous job representing our school and displaying the values or respect, kindness, resilience and co-operation.

The team finished in 4th position and Romario was awarded a prize for the most strikes or spares in the tournament. Well done to all the children.

We would like to congratulate the children on participating in this event and thank the team of adults who supported them: Louise, Patricia, Donna and Susan.

Panathlon run regular events throughout the year and we look forward to sharing more updates.

Calum said “I loved getting a medal and being part of a good team”. Matthew said “it was incredible, the team was striking”. James added “Bowling was fun, I made some new friends, it was the best day of my life”.

(Lucy Turner)

School Closure – Thursday 5th May 2022

We have been informed by the London Borough of Enfield that they require Eversley Primary School to be used as a polling station for the local elections.

Therefore, in order to ensure the children’s safety, the school will be closed on Thursday 5th May 2022. We apologise for any inconvenience.

Role model of the week

As March is Women's History Month, the next few newsletters will feature brave, influential and interesting female role models from the UK.

This week's role model of the week is Emmeline Pankhurst. Emmeline was a founding member of a group of women called the Suffragettes, who fought incredibly hard to get women the right to vote in the UK. She was often arrested for her protests but this didn't stop her fighting for what she believed women deserved.

During World War One, she realised that she needed to help her country. So, along with many other Suffragettes, Emmeline took on jobs that in the past, only men had done. This made people respect them more than they had and people began to realise how much women could contribute to society. In 1918, a law was passed which allowed certain women the right to vote and by 1928, all women over 21 were able to vote. A lot of this was down to the hard work and determination of Emmeline and the other Suffragettes.

If you have any role models (male or female) that you would like included in the newsletter, please email me via the office and we will get through as many as possible.

Thanks. (Mrs Barton)

Listening to Music

This month we are listening to Jazz Music, a style of music which originated in New Orleans, United States in the late 19th, early 20th century. Jazz is characterized by it's swinging style, use of complex chords and blues notes.

The two examples we are listening to are 'Cantelope Island' by Herbie Hancock and 'Take Five' by Dave Brubeck. Both of these examples were composed in the late 1950's early 1960's. They feature piano, drums, double bass, saxophone and trumpet, both pieces of music are easy to listen to and captivating to listen to.

Wrap Around Care News

This week the children at Breakfast Club and After School club have been celebrating our Geography spotlight by learning about France.

The children have enjoyed croissants for Breakfast and French Stick with their soup.
We have been making French flags and our colouring sheets have included well known buildings such as the Eiffel Tower. The children have been encouraged to use simple French words such as Bonjour, Merci and Au revoir.

Mario and Steve have used red, blue and white cones and bibs for games and we have had interesting team names such as France v Holland or made French baguettes v the croissants.

Next week, we shall be embracing the United States of America!

We would like to thank all the parents and carers who have booked and registered their children using the Magic Booking system.

If you are interested in your child attending Breakfast Club or After School Club, please ensure you have registered and booked using the following link:-

https://eversleyprimary.magicbooking.co.uk

We are subscribed to a host of childcare voucher providers, please see the relevant reference numbers below:-

Edenred - P21317347, CCG - CCG3595552, Sodexo – 914101, Care4 – 56726674914101, Computershare – 0026813333

Kiddivouchers - Eversley Primary School, Co-op Flexible Benefits – 85122133 & Fidelity - EVE055C

Each week we will be giving Thank You Certificates to children attending the club for making Eversley a better place by demonstrating one of our Eversley Values.

Andrew S – After School Club – Respect & Kindness (always respectful and kind to others)

Mahdi A – Breakfast Club – Compassion (always looking after the younger children)

SPORTS NEWS

Eversley Boy's Football

On Tuesday 22nd February, the Eversley boy's football team played cluster league games at Enfield Grammar.

Up first for the boy's was St George's, the team started on the front foot and dominated the early exchanges, some smart saves from the St George's goalkeeper and last ditch defending prevented Eversley from opening the scoring. Eventually, the team managed to make the breakthrough with some good play in the middle between Christian and Teddy which resulted in the ball ending up at Alex's feet, he weaved in and out of the St George's defence before firing a right footed strike powerfully past the keeper and into the bottom corner to give the team a 1-0 lead at the break. The second half started and St George's immediately leveled after a smart strike flew past Tommy and into the bottom corner. With the game heading into the latter stages the next goal was going to be crucial and unfortunately for the boys St George's got it and held on to win 2-1.

Eversley's second game was against St Michael's and the boys knew after losing out in their first match, this was an opportunity to respond and get a win on the board. The team started brightly and some good saves from the St Michael's keeper prevented Eversley from taking the lead. Mid-way through the first half some good link up play between Sami & Alex resulted in a pin point

ball played through to Zacki who calmly slotted the ball past the keeper into the bottom corner. The boys came out for the second half with a 1-0 lead and knew they'd need a second to have control of the match, Alex went on a superb run before slotting the ball through to Sami who fired it past the keeper to double the boys lead. St Michael's pulled a goal back in the closing stages but Eversley finished as deserved 2-1 winners.

All the boys represented the school impeccably and showed great sportsmanship throughout.

Netball

What a fantastic netball performance from the Year 6 girls on Monday 28th February! We headed over to Merryhills along with other local schools for the next round of fixtures in our Cluster League. We played two games, each consisting of two 7-minute halves.

Firstly, we faced Merryhills and got off to a strong start. Lillie and Ruhi were shooting brilliantly, and we finished the first half 4-0 up. Alana, Tyanna and Summei kept great control and the game flowed well throughout the midcourt. During the second half, Eversley scored a further 3 goals and thanks to the wonderful defence of Annika and Emilia, life was made tricky for the Merryhills shooters. The final score was an impressive 7-0 to Eversley!

In game two (against Grange Park), we had a change in the mid court and saw great play from Nea and Emel, who were particularly strong on their interceptions! The first half finished as 1-0 and the girls showed real strength and determination to finish the game at 4-0.

Really great play from all of you - well done!

Forest School

This week at forest school we had pancake fun all week!

We cannot control the weather, we just have to adapt to it and this week we had a very wet week and the site turned into to mud pit.

Fortunately, year 1 escaped the mud and had their pancake racing and flipping on the junior playground but that did not stop them having fun, the squeal of laughter was heard all around.

Year 2 did not escape the mud, they had to embrace it. The children did not only flip and race with pancakes, they also cooked some on the fire and even got to eat some.

We really had a very lovely but muddy week, thank you to all the teachers and of of course our trusty forest school volunteer Sayuri.

FirstNews

NEWS KIDS CAN TRUST

HOW TO TALK TO CHILDREN WHEN THE NEWS IS SCARY.

by First News Editor in Chief Nicky Cox MBE

1 Don't try to turn off the news when there is bad news. Sadly, in the technological world in which we live, adults are no longer in control of how children access information. News comes at us 24 hours a day from dedicated news channels, radio, the internet, and newspaper headlines. Even if you manage to shield your children from all of that, things that happen in the news will be talked about in the school playground or lunch hall. Better that your child is armed with the real facts than hearing exaggerated, second or third-hand versions. Information is better than misinformation.

2 Even if your child doesn't mention bad news, don't assume they are not troubled by it. They may be worrying quietly inside. Explain simply what has happened, taking care not to use sensationalised words that tend to be used by the national press.

3 First News covers good and bad news in the paper and on our daily online news channel, First News Live! Use our content, made especially for children, as a platform to talk to children about the news. It is always created to explain what has happened but to offer reassurance, too.

4 Remind them that there is much more good news than bad news happening. And that there are many more good people than bad people.

5 Reassure them that they are safe here in the UK. And that there are lots of security and defence experts working hard to settle the issues in Ukraine. Tell them that this hasn't just happened out of nowhere and read our explainer with them. Knowledge is power.

6 Remind children that the best way to stay safe is to take care in their own daily lives. Children are more likely to have an accident in their own home than when they are out and about.

7 Hold them a little bit closer and for a little bit longer.

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96.44%

Easyfundraising

Thank you to everyone for raising donations for Eversley Primary School with #easyfundraising! If you haven't signed up yet, it's easy and completely FREE. 4,500 shops and sites will donate to us when you use easyfundraising to do your everyday online shopping - at no extra cost to you! Every donation you raise makes a difference to us so please sign up & share today.

Kids Market

Raphi & Flo, a coffee shop in Winchmore Hill are putting on an event to showcase young local talent, pitched as as a kids market. The vendors will be solely children (aged 7-14) selling things they've made such as knitting, baking, jewelry making, painting etc etc. They will get to keep their proceeds if they pledge to donate 10% to a charity of their choice. Please get in touch via email at info@raphiadnflo.com if your child would like to take part.
