WORKING TOGETHER - GROWING TOGETHER

Merry Christmas!

We would like to share with you all the final update on the EPSA fundraising this term.

At the Christmas Fete this year we made an amazing **£6312** profit, up 5% on last year!

Our very popular Secret Santa event last week made **£2235**!

Add this to our other fundraising events this Autumn Term and we have managed to raise an incredible **£9869.00** (we are still waiting on some match funding from Santander).

So far this academic year, EPSA have funded 6 new Interactive White Boards, Literacy Planet Package (annual), Purple Mash & Impero Software, Anti-Bullying Workshop and paid towards the Read-Write Inc Reading Programme.

We are so very pleased with our efforts and extremely proud to help the school, and in turn our children benefit from all your hard work, support, generosity and donations.

On the next page of this newsletter we have captured some pictures of the EPSA volunteers over the festive fundraising events.

We wish you a restful and magical Christmas Holiday. See you in 2020!

Joanna, Demi and the EPSA team
