

## Christmas Fete 26<sup>th</sup> November 2017!

### **The fete has been planned and we are ready to have fun!**

Should you find yourself having some free time on Sunday morning, we would really appreciate your help with the set-up of the fete. Likewise, afterwards to pack it all away again! Just turn up, we will be in the junior playground and junior hall from 9am!

## To all you star bakers out there!

We need cakes to sell at the café if you can donate a cake or two that would be fantastic - nut free please! If you are more of a star buyer that is equally fantastic. Please bring your cakes to school in the morning of the fete, we'll be there from 9am. **THANK YOU!**

---

Today is the last day to purchase the Secret Santa tickets through ParentPay, but fear not, you will be able to pay for your tickets by cash at the fete. **Max 2 tickets per child, £2.75 a ticket.** Thank you to all of you who have already purchased tickets, it is going to be another good year in the Secret Santa Shop on the 12<sup>th</sup> December! Look out for more information next week! For any parent who has made an overpayment (by buying extra tickets!) we will be refunding this back to your ParentPay account asap.

As always, a massive **THANK YOU** to all who helped with the donations today, we would not be able to put on all these events without you!

The empty Happy school bags has been sent home with the children this week.

### **The collection date is 30<sup>th</sup> November!**

#### This is how it works:

Fill the happy school bag with clean and not broken, clothes, towels, soft toys, bags, belts, paired shoes. No blankets or pillows but duvet cover and pillowcases are allowed. Bring the bags with you to school on Thursday 30<sup>th</sup>

November an EPSA member will be at the school gates to take the bags from you. Please do not put any school uniform with the Eversley logo in, bring those to the fete instead to sell in the 2nd hand uniform stall.

Let's clear those cupboards ready for Christmas!

**Thank you for your generosity and support,**
