Girls Football League Winners 2017/18!

On Tuesday 6th March, the Eversley girls' football team played their final two league games of the season at Southgate School. First up were Merryhills and the girls made a positive start to the game as they advanced forward in search of an early first goal. Despite being unable to find a way past a resolute Merryhills defence early on, the girls did finally manage to take the lead when Emma powered through the centre of the pitch to send Mia through on goal and she struck a super finish past the on-rushing goalkeeper to give Eversley the lead. After the half-time whistle blew, the second half started with a much more even feel to it, as Eversley's defence of Jameelah and Anna were constantly tested by long throws into the box. However, the girls proved they were just as good in defence as attack by blocking everything Merryhills could throw at them and saw the game out with a deserved 1-0 win.

Next up were St Pauls and a clash between the top two sides in the division to determine who would lift the league trophy this season. In an incredibly exciting game, both sides went from end to end but neither team could find a way to break the deadlock for much of the first half. However, a hopeful strike from outside the box by Mia somehow found its way through to goal with the keeper unable to prevent it creeping past the line to give Eversley a one goal advantage leading into the break. In the second half, both teams pushed for a goal as the final whistle drew closer but it was Eversley who held on for a successive 1-0 victory of the afternoon to finish the season with 10 goals scored, conceding none and winning every single game they played to be crown league winners! This is the first time in quite a few years now we have had an Eversley girls side win the league title, so it is an incredible achievement for such a young squad of players to accomplish this season.

Well done girls!

(Mr Robotham)
