

8th February 2019

Dear Parents and Carers,

I hope you all have had a lovely week.

This week we had a Local Authority review, which involves advisors from the LA supporting the Senior Leaders with learning walks, book monitoring and in-depth discussions about areas of strengths and areas of development for the school. I am pleased to inform you that they were impressed by the high standard of work that they observed in lessons and books across the whole school. They agreed with our areas for development, which as a school we have already begun working on. I would like to thank all the staff and children for the time and hard work they give every day!

EPSA Goodbye

This week we said goodbye to Anna and Tosh who have been the Co-Chairs of EPSA for 3 years. I would like to thank them both and the other members of EPSA on behalf of the school for the time and effort they have given to organising amazing fundraising events. Over the 3 years they have helped raise over £100,000! This money has been used to help provide resources and events for all the children at Eversley Primary School. I know they will continue to support the school and the new EPSA Co-Chairs Joanna and Demi.

House Names

School Council came up with the idea to change the names of the individual Houses. Some children were really upset by this decision and decided to use the British Value of Democracy; the rule of the law to voice their concerns about this change. Ava, Christopher, Evie, Delilah, Erin and Liam started a petition to keep the names Scott, Marconi, Fleming and Caxton. The petition was a huge success and the children managed to accumulate over 300 signatures! As a school we have listened to the children's voices and the House names will remain the same.

I hope you all have a lovely weekend.

Best wishes,

Samantha Williams
Headteacher

Waste Warriors!

The children in Year 5 are taking part in a Waste Warriors project. This project aims to educate the children on how we can live more sustainably and therefore help our environment. The children learnt that in some parts of the world it was the norm to eat certain insects and bugs, and, in fact, these had a high protein content. Well, Year 5 had the opportunity to taste some of these insects. It was quite an experience!

In addition, over the last two weeks, the children have been collecting food, donated by parents and staff, that are no longer wanted or needed. This food is then given away at the end of the day free of charge. If you would like to donate any food, there are collection boxes outside the dining hall for KS1 and in the entrance foyer for KS2 on Tuesdays and Thursdays.

French Phrase of the Fortnight

This fortnight we are learning how to say which school subjects you like and which ones you love. Surprise and impress your teacher by telling them!

J'aime... (I like...)

J'adore... (I love...)

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success.

Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance this term is 96.18%

Welfare

If a child experiences a serious head bump in school where they have a visible bump or cut on their head they will be sent home with a wrist band as well as a green medical slip. We use these bands so that all members of staff in the school building are aware the child has bumped their head.
