

We hope year 4 had a wonderful time at Tolmers and we are looking forward to hearing all about it.

Thank you very much to all the staff as they have supported the children in conquering fears, achieving new challenges and helped them have a wonderful time, that they will remember for years to come.

Nightingale Story Cafe

This week was our final Story Cafe for Reception. Nightingale class had a lovely morning sharing a story and creating some fabulous and imaginative play dough creations with their parents. Thank you to everybody who was able to attend - it's wonderful to see the children so excited to show their parents what they get up to at school!

SPORTS NEWS

Arsenal Women Crowned Champions!

As an Arsenal Sister School, we would like to congratulate Arsenal Women on winning the FA Super League for the first time since 2012! They will be presented with their trophy after this weekend's final game of the season against Manchester City.

Unfortunately, the game on Saturday is now completely sold out, and therefore none of our Sister School tickets will be accepted at the turnstiles for the game. We will be looking to renew our Arsenal Sister School status in the 2019/20 season where there will be more opportunities to attend matches in the future.

School Library

Please be reminded that children have a timetabled weekly class session to visit the school library where they have an opportunity to borrow a book for up to 2 weeks. There are many children using the library, and to make the library sessions run as smoothly as possible we really need your help to encourage your children to return their library books on time. The books are not date stamped so it's just a matter of helping them remember to return their books on a regular basis.

Children who forget their book or have an overdue book will be unable to borrow a new book until their outstanding loan is returned. If your child has not finished reading their book and would like to keep it a little longer, please ask them to renew it at their library session to avoid unnecessary reminders.

Can we please ask that you urge your children to look after their library books as in order to maintain and continually improve our fantastic library, we will be asking parents/carers to pay for, or replace, any books lost or damaged by their child.

Book Donations

Thank you to everyone who has donated books to the school. If your child has outgrown their books at home, we are always happy to accept age appropriate books in good clean condition for the school library. Please bring your library donations in to the school office. Thank you. (Sehnaz Harrison)

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96.44%
