

Dear Parents and Carers,

6th September 2019 (1)

Welcome back!

I hope you all had a lovely summer holiday and your children have enjoyed the first few days back at school.

The children all look great in their new school uniforms and have settled well in their classes. The teachers, TAs and LSAs have all spoken positively about how calm and focused the children have been.

I hope you all have a lovely weekend.

Best wishes,

Samantha Williams
Headteacher

PE Uniform

I would like to remind you all that in January 2019, we introduced a new PE uniform that would be brought in officially in September 2019. I have been informed that some parents/carers do not wish to buy the new PE uniform for their child. As I have explained in many newsletters, **this is a uniform. If you do not wish to send your child in the correct PE uniform, they must come to school in the everyday uniform and then get changed for PE.**

Below is a list of what a child should wear if they are to come to school in a PE uniform all day:

Plain black trainers (no white)

Plain royal blue or black tracksuit or jogging bottoms or shorts

New PE fleece

House colour PE t-shirt

If you have not yet been informed which days your child will have PE, you will be made aware next week.

Eversley Parliament

Over the next two weeks we will be setting up an Eversley Parliament. The children will be told about this in assembly and what they would like to do if they want to be the first Prime Minister.

- Children in years 2-6 may write a speech about why they want to be the Prime Minister and what they would do
- All candidates will present their ideas to their class and the children will vote on ballot

papers. The winning child will then go head to head with the other winning children in their year group

- An assembly will be held for each year group and the three winning candidates will present their speech. All children within that year group will vote for who they would like to be Prime Minister, using a ballot paper. The winning child will go head to head with the other year group winners in years 2-6
- All 5 candidates will then present in a KS1 and KS2 assembly. All children will vote for who they would like to be Prime Minister and a parliament will be formed
- Each class will then elect 2 children to represent the different cabinets below
- Each cabinet will be run by a member of staff, who will lead fortnightly meetings, taking forward ideas to the Prime Minister. These ideas will be shared in assemblies, newsletters and campaigns.

Our value of the month is **RESPONSIBILITY**

Responsibility by Julia Li

Each month we have new artwork which is linked to our value of the month.

This painting by Julia Lin shows both social and environmental **responsibility**. The paper surrounding the 'recycling bin' acts as a visual reminder that we all have a responsibility to keep our school, local area and planet; clean and tidy.

Responsibility

Be dependable
Hold yourself accountable
Do the right thing
Apologise when you make a mistake
Do your best work
Complete what you set out to do

Integrity

Enfield Music Service

Most of the music lessons will start during the week commencing Monday 16th September with the exception of Dalia Kaminskeine, who will start teaching on Tuesday 10th September, and my individual lessons which will start on Friday 13th September. The full timetable is still in draft form, and I will notify children of the Tuesday lessons on Monday 9th September.

Here is some helpful information to make the music timetable and lessons run smoother –

- It is always better if children can make their way to the lesson independently, so could you please talk to your child to help them get to their lesson on time. This would be greatly appreciated by their tutors.
- They will need to bring all their music and their yellow practice books - please could you help them get this ready?
- The purpose of the yellow practice book is so that your child knows what to practice at home and so you know what your child is playing and how they are progressing.
- You can sign the book each week and your child can tick the days when they practice. A good guide for beginners is to practice for 10 minutes at least three times a week.
- If your child is going to miss a lesson because of a school trip or medical appointment, please let the music tutor know as soon as possible (weeks in advance is great,) 3 weeks notice is required by the Music Service. The lesson can then be rescheduled.
- If the tutor is not given three weeks notice, they do not have to reschedule. I am very appreciative if they do!
- In school, we aim to inform the tutors of any time when your child may miss a lesson, but trips to the park, sporting fixtures are hard to pick up.
- If you need to contact me, please email me via the school office.

I am looking forward to a musical term.

Cookery Club – September 2019

For ages 5 and up. The children will learn simple cooking skills, and cook a variety of interesting dishes with me each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food. I currently teach in a number of schools in North London – where my lessons are popular and oversubscribed. I also run my own cookery school for adults.

Lessons run on Thursdays in the Training Room. All equipment and ingredients provided.

Cost is £12 per lesson. Please register your interest with Samina at si.remote@gmail.com as soon as possible.
