

14<sup>th</sup> February 2020 (21)

Dear Parents and Carers,

It has been a very busy half term and the children have worked incredibly hard. Myself, Senior Leaders and Leaders of Learning have been carrying out deep dives of subjects looking at how they are being taught. It has been very positive to see the quality of work the children are producing daily. As a school we now have targets that we will be addressing in the next term.

### **Bambos Charalambous Visit**

As you are aware Bambos visited the parent rep meeting to discuss parking and traffic around the school. I was contacted by Bambos this week who has emailed Enfield Council about the increase in traffic around the school. We now await a response from the Local Authority.

### **Donations**

Thank you to all the parents/carers who have donated funds using the ParentPay app. We are looking to set up an 'Amazon Wish List' after half term. If you know any companies that would want to sponsor the school, in return for weekly advertising in the newsletter and a banner displayed outside the school. We are also asking if any parents or carers could offer their services for free e.g. plumbers, gardeners, electricians, decorators etc. We have now received our budget for the next academic year, which is currently showing a deficit of £250,000! We are in difficult times and will have hard decisions to make.

### **Congratulations**

I am sure you would like to join me in congratulating Mrs Barton who had a lovely little boy. Mum and baby are doing really well. We are all looking forward to seeing him soon.

I hope you all have a lovely holiday.

Best wishes,

Samantha Williams  
Headteacher

## **Safeguarding**

### **Radicalisation**

Children can be exposed to different views and receive information from various sources. Some of these views may be considered radical or extreme.

Radicalisation is the process through which a person comes to support or be involved in extremist ideologies. It can result in a person becoming drawn into terrorism and is in itself a form of harm.

### **How does radicalisation happen?**

The process of radicalisation may involve:

- being groomed online or in person
- psychological manipulation
- exposure to violent material and other inappropriate information
- the risk of physical harm or death through extremist acts

### **Vulnerability factors**

Anyone can be radicalised, but there are some factors which may make a young person more vulnerable. These include:

- being easily influenced or impressionable
- having low self-esteem or being isolated
- feeling that rejection, discrimination or injustice is taking place in society
- experiencing community tension amongst different groups
- being disrespectful or angry towards family and peers
- having a strong need for acceptance or belonging
- experiencing grief such as loss of a loved one

### **Indicators of radicalisation**

If a child or young person is being radicalised their day-to-day behaviour may become increasingly centred around an extremist ideology, group or cause. For example, they may:

- spend increasing amounts of time talking to people with extreme views (this includes online and offline communication)
- change their style of dress or personal appearance
- lose interest in friends and activities that are not associated with the extremist ideology, group or cause
- have material or symbols associated with an extreme cause
- try to recruit others to join the cause

### **What to do if you think a child is being radicalised**

If you think a child or the people around them are involved in radicalisation and there is an immediate risk of harm, call 999 straight away. If it isn't an emergency, follow your organisation's procedures. This might include:

- contacting your nominated child protection lead
- calling the police anti-terrorism hotline on 0800 789 321
- calling our radicalisation helpline
- reporting suspicious activity online

## **Parent/Carer Consultations**

**Tuesday 3rd March and Thursday 5th March 2020**

School will be open for parents/carers to see their child's classteacher on Tuesday 3rd March between 4pm and 6.30pm, and on Thursday 5th March between 6pm-8.30pm.

ParentMail, our online service for arranging appointments, will be available from 7am on Saturday 15th February until Saturday 29th February to book an appointment. Please log on to your ParentMail account, click on Parents Evening and select your choice of time. Only one appointment is allocated per child. The duration of the consultation is 10 minutes and will take place in your child's classroom.

If you are having difficulty in connecting to your ParentMail account or if you require more than one appointment, please advise the school office.

## **Parent/Carer Consultations with the SEN Team**

Should you wish to discuss a specific concern, the SEN Team will also be available for parent consultation appointments on these days. Please phone the office to make an appointment or, alternatively, there is a clipboard at the main office for you to sign up for an appointment.

Ms Minsky will be available to meet with parents/carers of children in Reception, Year 1 and 2.

Mrs Gonzalez will be available to meet with parents/carers of children in Years 3-6 and

If your child attends Sunshine Class, please make an appointment to see Debbie, Seniz and Ms Minsky.

## E-Safety Week

This week was E-Safety week for Eversley. We celebrated Safer Internet Day on Tuesday and the whole school took part in a variety of E-Safety activities over the course of the week.

Children from Years 1-6 participated in E-Safety workshops based around this year's theme of "Free to be me". It focussed on our online "identities" and how different people can be online compared to real life. They also had assemblies to give the children a depth of understanding on how to stay safe online.

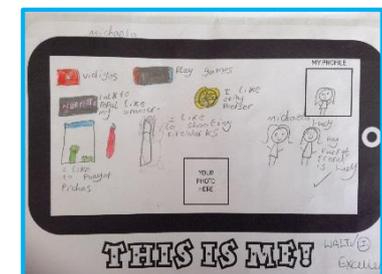

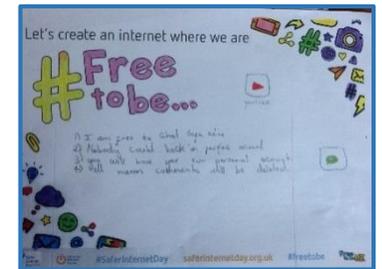

In class, the children took part in lots of fun E-Safety lessons. The younger children in school read stories including "Digiduck" and "Smartie the Penguin", which they really enjoyed. You can find these stories on the "Childnet" website.

In Key Stage 2, there were lots of classroom discussions about recent APPS and current social media platforms that are popular in our school. We discussed age restrictions on games such as "Fortnite", the problems that may arise from playing these games and how we could find alternatives to these. We also looked at different ways of online communication and how to choose our words carefully in order to be kind to others and to portray ourselves how we would like to be seen in real life.

We will be asking some children to complete some E-Safety questionnaires and will be sure to highlight any key issues that might arise from these to parents.

We would like to thank all parents/carers for enabling the E-Safety workshops to take place this year and we believe these have been hugely successful. If you did not get a chance to make the parent session, you can view the materials shared by following this link;

### Year 5 Forest School

This week was Year 5's final Forest School session and it's been epic! It was a celebration of all the things the children have learnt and enjoyed. They lead the session including lighting a fire and prepping flatbreads, whittling, weaving, shelter building and roasting marshmallows. It was lovely to see the children practising the skills they've learnt, sharing positive experiences with each other and hearing their feedback. Highlights included Viking trading, the park trip and eating campfire food. Well done Year 5. Hope you're looking forward to more Forest School adventures in Year 6! Special

thanks to the wonderful forest school team Anna, Martin, Sayuri, Juliet, Ilknur, Sarah, Helen, Rachel and Alfie.

(Mrs Lucy Turner)

### Year 5 Story Cafe

Over the last couple of weeks, 5B and 5E both had their Story Cafes, where they had the opportunity to explore some images from the Mysteries of Harris Burdick. The children worked amazingly with their parents, carers and small groups, and produced some wonderfully written openers and endings to their stories. We heard some brilliantly creative ideas and lots of beautiful language from the children, who were clearly inspired by the illustrations. Thank you so much to all the parents and carers who were able to attend; we hope you enjoyed spending the morning working with your children.

We are looking forward to our first Forest School Cafes after half term, starting with Year 3.

### Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is **96.45%**
