

Wednesday 18th March 2020

Dear Parents /Carers,

In light of the current situation around Coronavirus we have prepared some resources for you with activities to carry out with your children if you are at home. Some of the activities in your **Home Learning Pack** (attached) may include printing resources before being able to carry out the task. I understand that not all parents have access to a printer so these activities are optional. Some of these activities can also be looked at on a screen. I have also provided many ideas for you to carry out with items from home (including felt tip pens, paper and other items), a computer/tablet/mobile phone or simply activities for you and your child!

The class teachers have prepared lots of activities that you can do should there be a school closure. This information will be sent to you separately, if in fact the school closes.

The Reception Team and I would love if you could upload activities that you do with your child/children onto Tapestry and we will be logging on to see what the children have been working on. If you could title your observations/Tapestry entries with '**Home Learning**' we will be able to view them more quickly, although this is not essential.

If you have any questions or queries about the work/tasks/activities set, please feel free to ask for help through Tapestry. Simply title your Tapestry question/query with '**Teacher Question**' and then we will be able to easily see this and send you a reply when we next log in.

As a Team we wish to thank all families for their patience, cooperation and support during this very difficult time.

We hope that you all stay safe.

Kind regards,

Mrs Towli

Early Years Team Leader

Activity notes:

- ✚ **Ordering numbers:** The template provided does not need to be printed. Numbers 0-20 can simply be written on paper and cut out; your child can then order them. Later you could hide the numbers for the children to search and find, and then order
- ✚ **Read and Race Game and Spring Bunny Game:** A dice will be required
- ✚ **Dominoes:** These document will need to be printed and cut out in order to play the dominoes game. Children can try to match the word to the image on the screen, if you do not have access to a printer.
