

1st May 2020 (29)

Dear Parents and Carers,

I hope you are all keeping safe and well. Please keep the school updated with any important information about you or your family, so we can support your children over the next few weeks.

Emailing

The teachers began emailing and blogging (Year 6) on Monday. We did send another ParentMail, as we found that many children hadn't read their email or responded back to their class teacher. We hope they all now know how to access emails and have had fun emailing their teacher.

Schools Reopening

We all wait to hear what plans the Prime Minister has next week for reopening schools. I am currently part of a working party with the Local Authority looking at transition from Year 6 to Year 7, transition across the school and the reopening of schools. I will keep you all updated when I have any further information.

Thank you to all the children who have been sending emails, letters and pictures to show me what they have been doing. Matthew (3SS) and Louie (1M) have written letters to myself and the Prime Minister asking if the school could be open again. Thank you also to Billy (Kingfisher), Maisie (1M) and Melissa (Kingfisher) who sent me lovely birthday messages.

Take care and have a lovely weekend.

Best wishes

Samantha Williams
Headteacher

Forest School Update

This week we kicked off the first of four weeks of bugtastic adventures with the amazing ant 🐜.

We learnt all about their incredible talents; including their super strength and brilliant work ethic. We identified different species of British ant, discovered where they might live and even attempted to build a

spectacular ant sculpture. Meanwhile Anna and Oscar welcomed two new members to the the Reekie family, 'Ant and Dec'.

Next week is brilliant bee week and we are buzzing 🐝. If you would like to join us, please join our closed Facebook group 'Eversley Forest School'.

(Mrs Turner and Anna)

Our value of the month is **Excellence**

Enjoyment, Perseverance, Self-Belief
