

5th June 2020 (33)

Dear Parents and Carers,

I hope you all had a lovely half term and have enjoyed being able to go outside for longer than one hour a day with your friends and family.

This week myself and the staff have been busy preparing the school, getting it ready for the children who will be returning to school. Parents who have requested for their child to return to school, will receive information via ParentMail. Please read all the information carefully, so you are clear what the school's expectations are for when your child returns to school. Please ensure you complete and submit the ParentMail Form regarding the Home School Agreement Covid-19, as we will not allow any child back in school unless this is completed.

I would like to say a huge thank you to Miss Kilkeny, who has made a video to show the Year 6 children returning to school what the school and their classrooms will look like. Miss Kilkeny will be supporting the Reception and Year 1 teams, so they can make a video for their children.

These videos will be placed on the school's website under 'Parents' and 'Home Learning During School Closure.'

Teachers in School

As from Monday 8th June, all staff will be in school. Teachers have been given time to work from home, so they can continue to support children working from home and creating distance learning packs for the following week. They will send an email through Purple Mash, to let you know when they will be working from home. They will only be responding to emails and marking work on the days they are not in school.

If you have a query about work or any other concern, please contact the school office and a member of the Senior Leadership Team will help you.

Year 6 Transition Booklet

The Local Authority has created a Year 6 Transition booklet for children to complete over this term, which they will take with them to Secondary School. The Year 6 children who will be returning to school will complete it throughout the school day. We will post all others to children who remain at home.

I hope you all are keeping safe and well.

Best wishes

Samantha Williams
Headteacher

Enjoyment, Perseverance, Self-Belief

NHS Charities Together

Aiden (6DS) has been raising money for *NHS Charities Together* by running a marathon (26 miles) over 25 days. He completed his challenge on 21st May and has done a fantastic job so far by raising £380! Well done! He is now extending his distance to 40 miles! Please help to sponsor him by using the following link:-
