

10th July 2020 (38)

Dear Parents and Carers,

I hope you are all well and keeping safe.

This week we have had the last of our transition picnics. It has been lovely to welcome back the majority of children across the school. They have all left with smiles and excited to return in September.

Next week, we welcome back the rest of Year 6 who will be going into 3 new bubbles, so they are able to have time with their friends and have the opportunity to enjoy and take part in some of the end of year activities. I would like to say a huge thank you to all the staff and parents who have supported the school in making this happen. It is going to be such a great week and the sun is going to shine! Below are some of the things that the staff have organised for each bubble:

- Transition video
- Leavers book
- Sports day
- Forest school
- Team building
- Leavers assembly
- Picnic/Disco
- Movie afternoon
- Personal written messages for each child for their autograph book

It is lovely to know that all the children will be able to leave with special memories of Eversley Primary School.

End of Year Reports

On Wednesday 15th July, you will receive your child's end of year report. This will be sent via ParentMail. If you do not receive it by the end of the day, please contact the office.

This year, all the children received their annual report in February, followed-up with a parent consultation to discuss key points made. This was then followed up with a parent consultation to discuss key points made.

The end of year report is a summary of your child's year. The teachers have made comments on things such as their attitude towards their work, the values they display and key attributes that they may have. The grades that are given are teacher assessments, as the children have not completed summative tests.

Enjoyment, Perseverance, Self-Belief

September

We are just finalising our plans for September, which will be shared with all parents and carers next week. We are looking forward to welcoming Years 1 to 6 back on Monday 7th September. Further information will be sent about staggered times and year group bubbles, so you are clear about the school's expectation and our health and safety procedures.

Have a lovely weekend and stay safe.

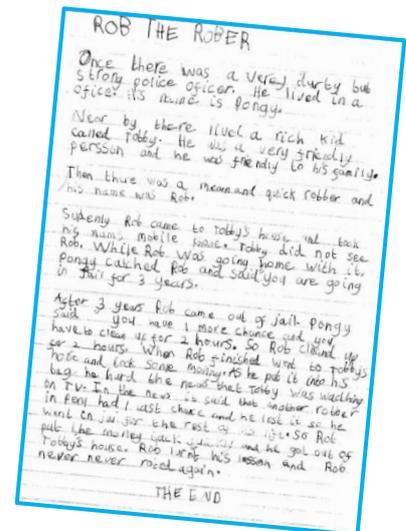

Best wishes

Samantha Williams
Headteacher

Enfield Story Competition

Naiya from 1EM entered the story competition run by Enfield Council. She won the short story category for her age group. Well done, Naiya. We are so proud of you. You have written a beautiful short story with amazing sentence starters and speech.

(Miss Malone)

Email from the teachers

On Monday 13th July, the teachers will be sending an end of year email to the children. Please ensure you and your child log in to Purple Mash to see the email. Thank you.

Piano Competition

Congratulations to all the Eversley pupils who entered the piano competition by recording themselves playing a piece of music. There were a record number of entries, all of an incredibly high standard, and the judges had a really tough time deciding who would be in the final. A round of applause and congratulations to Louis (4G), Alana (4G) and Elyscia (5K) who will be representing Eversley next week, I will be joining the 'virtual' event to hear the results.

(Mrs Evans)

Forest School Update

This week was our final week of Forest School sessions in Reception and the children have had a brilliant time. Despite some rainy weather, the children were not deterred. Wellies and waterproofs at the ready, we continued our minibeast adventures. Firstly, we gathered natural materials including straw, sticks and pine cones to build bug habitats. Thank you to all those parents who sent in plastic bottles. We have now assembled them altogether to make the most fantastic bug hotel. In our next session, we learnt all about spiders, including how and why they spin such beautiful webs. The children thoroughly enjoyed weaving their own mini webs, as well as making a giant human web. It was great fun getting trapped and tangled up inside. It was wonderful to see the children problem solving, exploring and learning through their play. We are looking forward to many more Forest School adventures with Reception children when they join Year 1.

(Lucy Turner and Anna Reekie)

The poster features a background image of a child's hands playing a piano. In the top right corner, there is a circular logo for the Enfield Music Service, which includes a treble clef and the text 'ENFIELD MUSIC SERVICE'.

Online Cookery Club – September 2020

For any age. The lessons will be online via Zoom. Children will learn simple cooking skills, and cook a variety of interesting dishes each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food. Parents need to supervise and help.

Lessons will run on Wednesdays after school at 4.30pm, from the comfort of your own kitchen.

I will send out the recipe with a list of ingredients, and a list of equipment you will need, so that you can have it ready before the lesson starts.

Cost is £6 per lesson. If you have more than one child taking part, that's fine, the cost is per family. Please register your interest with Samina at si.remote@gmail.com as soon as possible.
