Hockey Tournament

On Monday 11th February, we took five year 6 children to the borough hockey tournament at Southgate Hockey club. The team was made up of: Lexie, George B, Amelie, Nidal and Mia.

Their first game of the tournament was against Salcombe B, who twice went ahead before being pegged back first by Mia and then again by Nidal, who helped Eversley to a respectful 2-2 draw. The next game vs St Michaels was just as exciting as another goal from Mia put Eversley 1-0 up. Great defensive work from both George and Lexie helped keep Eversley in

the lead, however two late goals from St Michaels were enough to win them the game 2-1. The boys and girls were keen to get their first win and immediately went ahead in their next game against St. Edmunds as two goals from Nidal and Georges' first goal of the afternoon helped them to a 3-0 victory.

Grange Park were next up and again Eversley took an early lead through two goals from Mia and one from George giving them a 3-0 lead. Although Grange Park fought back, Eversley stayed on top and two more goals from Mia and Amelie gave them their biggest win of the afternoon. This meant Eversley had made it to the semi-finals where they would meet Salcombe A. Eversley started brightly but a fortunate effort from Salcombe put them 1-0 up. Mia equalled the scoring before two more goals from Salcombe gave them a two goal lead. Eversley continued to try to get back into the game and good work from Lexie helped Mia find a shot where she again scored to make it a nervy end for Salcombe, although it wasn't enough to prevent a loss.

The children had one more game to play in the 3rd place play off in a rematch against St Michaels. This time it was our opponents who took the lead 2-0, before Mia and Nidal again struck to level it up. St Michaels managed to score again but great defensive work from Amelie ensured the gap stayed at one which allowed Nidal to find an equaliser late on. The game finished 3-3 meaning both teams shared 3rd place!

Boys Stay Undefeated in Premier League Stars Tournament!

On Friday 8th February, the Eversley boys' football team played in the Tottenham Hotspur Premier League Stars qualifying tournament for a chance to join the girls in the final round of the competition.

On a wet, cold and blustery afternoon, the boys knew they would be in for a difficult time as they drew in arguably the strongest of the four qualifying groups. With Worcesters dropping out of the competition late on, the boys were first up against a tough Bush Hill Park side. Playing together as a team for the first time, the Year 5 boys did well in a tricky opening game but struggled to gel together as they attempted to attack their opponents. However, some resolute defending ensured they kept a clean sheet as the game ended 0-0. Next up were Merryhills and after being crowned as the best team in the borough earlier that week, the boys knew they had their work cut out against a very talented side. However, the boys put in a disciplined and very hardworking performance and in truth there was very little between the two sides as the boys earned another hard fought point.

The next side was Akiva School from Barnet, and Eversley looked to really push on after an impressive performance in their last game. Another bright opening saw Lucas win possession deep in his own half before switching the play brilliantly to Marley, who launched a timely through ball to Loucas, who gave the boys an early lead. Alex was on hand to make a series of impressive saves to keep the boys in the lead, but a late corner deceived them in the final minute as Akiva headed home an equaliser to leave the score 1-1 at the final whistle. The last game was against Raynham, and Kevin and Aydin were trying their best to attack the wings as Eversley worked towards their first victory of the day, but the game stayed deadlocked as the boys drew 0-0.

With the winning side in each group going through to the next round, the boys didn't quite manage to make it through, but a 3rd place finish was a very credible achievement as they can look forward to a lot more success over the next two years. (Mr Robotham)

Enjoy, Persevere and Succeed

We started the club with the aim of reaching Tokyo, the city that will be hosting next year's summer Olympics.

Since the club has started all the children involved have collectively run a very impressive 2415 laps, meaning they have already made it in and out of France and all the way to Zurich in Switzerland!

With still a long way to go in the year the children are well on course to reach their target!

Running Club

Over the last three weeks, Eversley started their daily running club. It gives all pupils in KS2 the chance to partake in enjoyable physical activity every Monday – Thursday morning.

Enjoy, Persevere and Succeed
