Tag Rugby

On Friday 1st March, Eversley took part in the Borough 5 schools Tag Rugby event held at Raglan school. The other schools involved were Grange Park, Merryhills, Brimsdown and Raglan. Each school took four teams, three comprised of year 6's and one comprised of year 4's, before each team were put into groups named England, Scotland, Ireland and Wales.

Once everyone found out which group they were in, it was time to set off and play their first matches. All Eversley children played extremely well, especially the year 4's and some year 6's that were playing their first Tag Rugby matches of the year.

The children showcased many Eversley values during the event, notably responsibility, as for most of the afternoon they were without an Eversley adult and had to therefore make decisions between themselves which they were able to do without issue.

Once everyone had finished all the matches in their respective groups, it was time to find out where the children finished in the overall table. It was finally announced that Eversley had finished a very respectable third which topped off a great afternoon of Tag Rugby.

Into Germany!

Over the last few weeks Eversley have continued our running club, with KS2 pupils well on their way to achieving their goal of reaching Tokyo in Japan.

So far they have ran a very impressive collective 4200 laps of the daily mile line, meaning they have managed to run 840 km, the equivalent of reaching Nuremberg in Germany!

With Tokyo being 9500 km away the children still have a lot of running to do but are well on course to reach their goal.

Enjoy, Persevere and Succeed

Football

On Thursday the 14th of February, Eversley took a Year 4 boys and girls team to Raglan school to play some friendly football matches against Grange Park and Raglan. The boys were up first against Grange Park. After a tight first half with few chances for either side, Eversley managed to break the deadlock with Richie's effort being deflected in off

the defender to give Eversley the lead. The boys managed to hold on and see out a 1-0 victory. In their second game, the boys faced Raglan and immediately went on the front foot going 1-0 up early on. They continued their attacking intent which showed as they added two goals to their lead to help them win the game 3-1.

Meanwhile the girls first game was against Raglan where an impressive strike from Evita gave them a 1-0 lead before two further goals from Lily and Emilia helped secure a deserved 3-0 victory. Next up was Grange Park and at the end of a tight first half it was Grange Park who managed to take a 1-0 lead into half time. The girls didn't give up and managed to equalise late on to ensure they remained unbeaten.

All the boys and girls represented the school well all afternoon and showed great sportsmanship throughout.

Hockey Tournament

On Monday 11th February, we took 5 children to participate in the borough Quicksticks Hockey tournament at Southgate Hockey Club.

The children involved were Mia, Lexie, Amelie, George B and Nidal.

The tournament consisted of four group games which the children played Salcombe, St Michaels, St Edmunds and Grange Park. After a draw and a loss in their first two games, back to back wins against St Edmunds and Grange Park meant Eversley had qualified for the semi-finals.

This was to be against Salcombe A and despite going two goals down early on, Eversley managed to get a goal to keep Eversley in the game. Salcombe managed to get a third which was again quickly cancelled out by Eversley who kept fighting, however it wasn't enough to prevent a narrow 3-2 loss.

Finally the children played St Michaels again in a 3/4 place play off and in what proved to be a very even game, it finished 3-3 with both teams sharing the third place!
