Year 4 Writing Task - Living Through History Diary Entry

WALT write with purpose (living through history diary entry)

Your writing task is to document what you have doing whilst learning at home so that you have something to look back on in future years. It would be great to use your diary entry to talk about your feelings and celebrate positive experiences. Remember, you are living through history right now!

Writing a diary entry

Part 1 <https://vimeo.com/221064596>

For example: something new you have learnt, what physical activities you have been doing? (walks, trampoline, riding your bike etc), funniest moment from last week, favourite game you played, something creative you did
