The Competition

Shhhhhhh! The ocean demands silence as it sweeps sleepily across the sand.
On the horizon, the sun burns through the tired clouds, Showing off its strength before setting once again.
Like a determined child, the sun stays up as late as it can.

Hushhhhh! The water sings its lullaby,
The day is done.
Nighttime triumphs once again.
The day sky blushes red as night takes the victory.

Shhhhh! The sea remains ever present,
It is the peacemaker in a battle between two old friends.
It is all-seeing, all-knowing.
It is the real winner in nature's continuous game.

Task 2

Using the picture below as inspiration, create 3-5 of each of the following: similes, metaphors, personification, alliteration, onomatopoeia.
