<u>w/b 13.7.20</u>		Theme: Happy Memories and New Beginnings!	
<u>Subject</u>	<u>Time</u>	<u>Activity</u>	<u>Tick once completed</u>
Reading	10 mins daily.	Read your books and complete your reading record. Refer to the Oxford Owl link for a wide range of books for different abilities.	
Reading	20 mins daily	This week we would like you to think back over all of the books that we have read in Reception, including books that you have read at home. Do you remember <i>Naughty Bus</i> by Jan and Jerry Oke or <i>Bedtime for Monsters</i> by Ed Vere? There are many books that we have looked at during home learning such as <i>The Tiger who came to Tea</i> by Judith Kerr or <i>We're Going on a Bear Hunt</i> by Michael Rosen and Helen Oxenbury. Also you may remember that your teachers read bedtime stories every Friday, do you have a favourite bedtime story that enjoyed? What was it? Share with your families what you liked best and why? Can you remember where the story was set? Who were the characters? Was it a funny story? Was it a rhyming or counting story?	
Phonics	10 mins daily	After accessing the phonics lessons that have been set for you on our Facebook Phonics (Facebook Group Name: Eversley Primary School Reception 2020) page Monday and Thursday at 10am, revise the sounds that have been taught. Continue to practice forming letters and sounds correctly according to the rhymes learned and listen out for the daily challenges set for that sound! <u>Extra challenges:</u> <u>Recapping sounds</u> Have a think about all of the sounds and tricky words that you have learned this year. Are there any that you still find hard to write, recognise and spell in sentences? Why not recap what you have learned and focus on the ones that you find difficult. <u>Favourite memories!</u> Have a think about all of the lovely things that we have done at school this year. What can you remember? Did you have fun at the Story Café? Exploring all of the different role play areas that we had? What about playing on the adventure trail or football games and winning the trophy? Did you enjoy learning to read and write and making lots of new friends at school? Was our performance of Goldilocks a fun memory for you? Did you like

Reception Home Timetable

		<p>learning about the different celebrations such as Chinese New Year or Pancake Day? What about going to Forest School? That was so much fun wasn't it? Why not chat with your grown ups about all of your favourite memories at school and then write some sentences about your experiences. Remember to use full stops, capital letters, finger spaces and use Fred talk to sound out words for spelling. Try to remember to spell any tricky words that you use correctly.</p> <p>As well as Miss Cookson's phonics session (Explained above), Read Write Inc (RWI) are offering daily phonics lessons on You Tube. These are split into different ability groups to cater for the varying needs of the children. The first sounds are set 1 (individual sounds, s, m, a, d, etc) and the others are set 2 (which Miss Cookson is also teaching each Monday and Thursday). Set 3 are for Year One pupils, therefore, please do not access these as this could confuse the children. The videos remain on the website for 24 hours if you would like to log on and watch/take part at different points in the day.</p> <ul style="list-style-type: none">➤ Daily phonics set 1 : 9.30am Monday-Friday➤ Daily phonics set 2: 10.00am Monday-Friday <p>The link for the RWI You tube Channel where the lessons appear is: https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ You will need to subscribe to view.</p>	
Mathematics	10 mins daily	<p>We have learned lots of different things in maths this year. We have been recognising, writing and sequencing numbers to 20 and adding and subtracting those numbers. We have also looked at grouping and had fun with estimating.</p> <p>We have also explored shape and measuring looking at 2D and 3D shapes, patterns and investigated weight, length, money, time and capacity amongst other things.</p> <p>Is there anything that you are still finding tricky? Can you form all of your numbers correctly? Can you remember your number bonds? Are you secure adding and subtracting? Can you describe your 3D shapes? If there is anything that you still find a little difficult, why not revisit it this week, you could look back over the other Learning Grids for ideas or use toys, and other practical resources at home to help you. Remember to have fun exploring maths and enjoy your learning.</p>	
Physical Education	30 mins daily	<p>Perhaps you could go for a family walk? Why not time your journey and record how long you walked for? Did you see anything special on your walk? Did you notice any natural and seasonal changes? Any animals? If you went on a long walk were you tired when you</p>

		got home? Did you notice any changes to your body during your walk? If so, what were they?	
Personal, Social and emotional development	30 mins daily	In school we really focussed on our Values. Can you remember what they were? Over the year you have shown 'Determination' 'Kindness' 'Friendship' and 'Excellence' for example. Can you remember a time when you showed one of these values? What did you do? How did it make you feel? You might have shown 'Determination' by practising to spell 'tricky words' and now you must feel very proud of what you have achieved with your hard work! Please share with us.	
Understanding the world	20 mins daily	<u>Changes</u> When you started school you probably came from a nursery or pre- school. Think about how you have changed since then. How old are you now? Are you taller? Do you need to wear bigger shoes or clothes? Ask your grown-ups if they can show you photos of when you were younger and talk about similarities and differences from now and then. Think about the exciting changes ahead as you transition to Year One. What are you looking forward to?	
Expressive arts and design	½ hour per day	<p>As we are thinking about our favourite things perhaps you can draw, paint, make a collage or even come up with some role play about your favourite experiences or memories. It could be something that you did at school or at home.</p> <p>If you enjoyed learning about 'Shrove Tuesday' why not make a pancake? Perhaps recreate your favourite role play area, put some chairs out and make a 'Naughty Bus' with tickets etc. at home. Do you have favourite songs and dances that you can perform? You may have more than one favourite experience so you could illustrate your ideas in different ways. We would love to hear from you.</p> <p>We really hope that you enjoy reflecting on happy times that we shared at school and we are looking forward to hearing about your memories on <i>Tapestry</i>.</p> <p>We have loved teaching and supporting you this year and we look forward to seeing you all on our return to school in September when you will be in Year One. Stay safe and enjoy the Summer break! 😊</p>
