

11th September 2020 (1)

Dear Parents and Carers,

Welcome back!

It has been lovely to have all the children back in school and see their happy, smiling faces. The children have all settled into their new class and are working incredibly hard. It has been a very positive start to the new academic year.

I would like to thank parents, pupils and staff for your support this week and working together to make changes to help the school run smoother. We are now working to try and get children into school much quicker, so please don't worry if you see that your child's class is lining up in the school, as we just want to prevent parents gathering for long periods of time.

The Senior Leaders are on various different entry and exit points daily, and over the coming weeks will move around to different gates.

What can I do if my child is anxious?

'Hug Buttons' is an idea that was suggested by Donna our Learning Support Assistant. If your child is struggling coming into school because they are anxious or miss you, then you could do the following. Draw a heart on your child's hand and your hand. When your child is feeling anxious or upset throughout the day they can touch or press the symbol, which sends a hug or kiss to you, their parent.

Positive results over the weekend

If you or your child receives a positive test result over the weekend, then please send an email to the school office. This will allow me time to contact LCRC and be advised the next steps the school will need to take. I will inform parents and staff by email, so they are clear about the expectations for Monday.

If you require any further information, please don't hesitate to contact me.

Best wishes

Samantha Williams
Headteacher

Enfield Education Psychology Service: Telephone Support Line for Parents and Carers

In response to COVID-19 and the Government's Wellbeing for Education Return programme, Enfield EP Service is offering Enfield parents and carers the opportunity to speak to an Educational Psychologist (EP) about a concern or issue they may have in relation to their child. Please see attached the attached flyer for more information. (Mrs Gonzalez)

Library

Welcome back to a new and very different academic year!

Unfortunately, due to Covid, the school library will remain closed to pupils until further notice. Although children will not be allowed to borrow new library books, there are many loans still outstanding from the last academic year. Reminders for any outstanding loans will be sent home in due course but it would be really helpful if all children could bring their library books back into school at the earliest opportunity. Thank you. Mrs Harrison (Library Assistant)

Smartwatches

Please be reminded that children are not allowed to come to school wearing smartwatches. The use of smartwatches is not appropriate in school due to risks of loss and damage, and of misuse in the same way as mobile phones or tablets.

Many thanks for your cooperation with this matter.

Enfield Music Service

We are working really hard at school to keep your children safe, and as such Mrs Evans is only working with children in one bubble. With the news of an increasing infection rate we have made the decision that we won't be having peripatetic music tutors visiting the school. This is because some tutors work with children from various classes, and some tutors travel between different schools. We hope you understand the reasons behind this decision. Please be assured that we will review this decision and keep you informed at all times.

(Mrs Evans)

Our value for the month of September is

Self Belief

Enjoyment, Perseverance, Self-Belief

Eversley
Primary School

Online Cookery Club – September 2020

For any age. The lessons will be online via Zoom. Children will learn simple cooking skills, and cook a variety of interesting dishes each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food. Parents need to supervise and help.

Lessons will run on Wednesdays after school at 4.30pm, from the comfort of your own kitchen. I will send out the recipe with a list of ingredients, and a list of equipment you will need, so that you can have it ready before the lesson starts.

Cost is £6 per lesson. If you have more than one child taking part, that's fine, the cost is per family. Please register your interest with Samina at si.remote@gmail.com as soon as possible.
