## **Mutual Respect**

We all have different living arrangements, with some people not having a home at all. There are many reasons for the different circumstances in which people live; it is important to show equal respect to all.

# What is in the news?

A number of charities, including Streets Kitchen and the Glass Door Homeless Charity, are campaigning for empty commercial buildings to become makeshift shelters this winter. They are predicting that there will be an increase in the number of people who become homeless over the coming weeks and months due to increases in job losses caused by the Covid-19 pandemic.

Key Stage 1-What does being homeless mean?

Write the word 'home' on the board. What is a home?

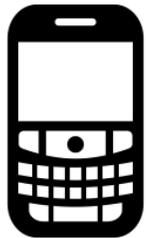

Think about your home. What does it look like?  
Who do you live with? Where is it? What do you like about it? Is there anything you don't like?

**Key Stage 1- Look at the resource below, which shows some of the things our homes provide us with and some of the things we have in them. Sort them into the things we need and the things we could survive without.**

Toiletries

Mobile Phone

Television

Shelter

Warmth

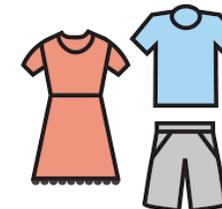

Family

Food

Clothes

Water

Toys

# Key Stage 1-

## How does a home make you feel?

**People who are homeless do not have a home or a place to live so they might not have some of the things found in resource**

- 1. What do you think that might be like?**
- 2. There are many different reasons why someone might become homeless and sometimes they are very unlucky.**
- 3. Can you think of any ways you might be able to help someone who is homeless?**

# Key Stage 2- What help do homeless charities offer?

What is a charity? Can you name any charities?

There are charities whose aim is to help people who are homeless. Can you think of any examples of charities who do this? If not, can you find some? Create a list.

## Ways a homeless charity might help

Work with the media to ensure people without homes are given a voice.

Accept donations such as money, food, clothes.

Run charity shops to raise funds.

Provide a soup kitchen, which is a place where people can get food, warmth and often friendship. Soup kitchens may open daily or weekly and are often run by volunteers.

Set up campaigns to raise awareness of homelessness and influence and bring about change

Put together food parcels, clothing and toiletry bundles and water that can be sent out immediately.

Provide free legal advice for those who may have lost their homes or who are facing eviction.

Provide homeless shelters with beds, showers, communal areas and places to store personal items.

Provide someone to talk to, who can offer advice and support. This may be in person, online or using a free telephone helpline.

Have you ever helped a homeless charity?

Do you think some of the ways charities help are more useful or valuable than others? For example, are raising funds more important than encouraging volunteers?

Have you ever fundraised for something? Create a list of ways you might raise funds e.g. a sponsored walk/bikeride, a cake sale.

# Key Stage 1 – Follow Up Work

Draw a picture of your home. Use your picture to help tell someone else about your home. Think about:

- What type of home is it e.g. a house, bungalow, caravan, flat?
- Where is your home?
- Who lives with you?
- What do you like about your home?
- Is there anything you don't like? Explain that not everybody has a home. We call people without a home homeless.
- How might it feel if you didn't have a home?

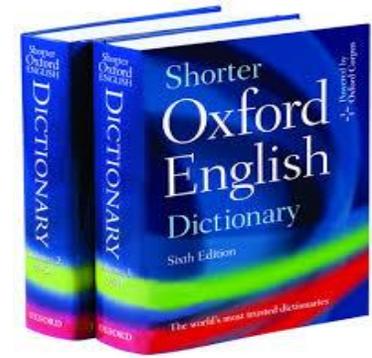

# Reflection

For many of us a home is a place where you feel safe, loved and protected and it provides us with the things we need. Sadly, not everyone has a home but there are ways we can help.
