

Eversley Cookbook Competition – Let's Bake!

Our cookbook competition is now closed! Thank you for sending in your favourite recipes. We've received 40 entries and we are pleased to announce that every valid entry will be published in the cookbook!

Entries include recipes from Ms Williams and her son Myles, Esther from the school kitchen and Anna our Forest School leader!

We are busy putting the book together and it will be at the printers very soon. Our cookbook will be A5 in size and ring bound so that it can lay flat for easy reading.

To pre-order your copy, please go to www.parentpay.com Orders need to be placed by the 27th November for collection week commencing 7th December. The price of our cookbook is:

Buy one cookbook for £6, two for £10 and any additional copies for £5 each (please state in the notes section of the payment item the number of copies required).

Buying this cookbook supports our school; all profits from the sale of the cookbooks will go towards funds raised for the benefit of the children.

***If you upload a picture of your baked goods that includes an image of your child, we will accept that as permission to print in the cookbook.**

Thank you

EPSA have received £182 donation from Penny who runs UniWorn, a second hand school uniform service. Penny has pledged a percentage of sales to EPSA and we would like to take this opportunity to thank her.
