During lockdown they have done an excellent job Head teacher and staff. I very much appreciate.

Eversley has an amazing head teacher! Overall I love the school and all its staff!

Thank you for your amazing work. My kids love Eversley.

Eversley Primary School went above and beyond to help my child through lockdown, I couldn't fault them one bit, my daughter had support throughout her school working day and would like to say a massive thank you to Ms Williams, Ms Kilkenny and the whole team.

The school provided excellent online support during the recent lockdown and kept my child engaged throughout the school day.
Thank you.

It has been one tricky year, well done to all!!

Thanks to everyone for all the hard work dealing with lockdown and all the changes needed.

I commend Eversley on an excellent home learning package - very proud of all the hard work & support given to the children. Thank you!

My Wife and I both think that the way the School has adapted to the changing circumstances has been outstanding. Our heartfelt thanks go out to ALL the staff involved in keeping Eversley running in this most challenging of times.

My child has come on so far thanks to the special care and support given her since September.

I think that the school has been amazing this time round through Covid and on line teams.

Amazing work by all lovely teachers and member of staff with the best Leadership team!

Well done and keep going, you are all highly appreciated.

The use of teams and the work set was excellent. I think it was exactly the right balance. well done!

During lockdown the teachers worked extremely hard to provide our children with the best education possible.

I am very happy with how the teachers worked to educate our children during this difficult time. They have all done a fantastic job!

Thank you so much for all the hard work done by teachers and school staff to provide online learning and keep it interesting for children's.

Thank you for the continued support during home learning.

We are grateful, that the school, Ms Boothby, Tara and Ms Williams, intervened when we raised concerns regarding our child's resistance to come to school.

There has been an immense change in his willingness to come to school and he is a lot happier which is so important to us. A big, big thank you to all of you!

Just to say thank you to Miss Da Costa for all of the support with the home learning and for making the return to school so enjoyable for the children.

Highly recommended Eversley Primary School.

As my child is happy at school I'm happy too!

My son is thoroughly enjoying school even with all the disruptions the last year has brought along. When he says he misses school/ teachers/friends I can be assured he is happy and at the right school.

Mrs Williams and the rest of the teachers should feel very proud with how well they have handled the last 12 months. Can't thank them enough.

Cannot fault the school, it is run properly.

Thanks to everyone for all the hard work dealing with lockdown and all the changes needed. I would like to say a special thank you to Mrs Groughran and Mrs Towli during home learning. My child felt very well equipped with the vast range of resources available and the very impressive high quality of teaching throughout.

In fact, the online learning during home schooling was tough but the high quality of resources across the board was very impressive. The resources were varied and very engaging and interactive.

With regards to knowing what my child is learning, he is only in Reception and maybe it is different for the future years but I really found it useful during home learning being informed about the theme of the week, would much like that information now too as it will be conversation starters and allow me to do activities at home with him.

The teachers provided excellent remote learning for the little ones!

I would like more detail on what the class are doing on a weekly basis so I can support my child at home with her appropriate learning.

We would like to thank the staff for all their effort with remote learning.

Mrs Gaughran as are all the teachers are doing an amazing job, thank you!

My child is extremely happy at Eversley. She is well supported in her learning and development but also socially and personally. The staff are friendly, approachable and supportive. They have the children's best interests at heart. The school went over and above during lockdown and the children felt connected with their teacher and friends via several live sessions each day. Thank you Eversley!

We're really happy with Eversley. Our son enjoys school. The reception team are amazing. Miss Cookson is such a wonderful fun teacher. Such a shame his first year has been so stop start but we understand why and felt the home schooling was great (Especially the puppets).

My child is very happy at Eversley. I am very impressed with the high quality of home teaching during the pandemic for a Reception class child. Overall, very happy.

I would like to thank all of the reception team for their outstanding efforts to provide an engaging, fun and varied online offer during the various home schooling periods. It was a pleasure to see how our son has learnt to engage with the online material and embraced this new way of learning. The support, encouragement and patience of all the staff has been absolutely invaluable. Thank you.

Thank you to all for your amazing hard work and commitment! We love Eversley!

Very happy with teachers and education. The quantity and quality of the home learning lessons was fantastic. Well done to all!
