

Summer Term Fundraising

As we approach the end of this academic year, we wanted to share with you our fundraising totals so far.

We started off our first term of school with some alternative ways of fundraising. We sold our first ever cookbook, we organised a Santa's Bingo event for the children and along with a Happy School Bag collection and a Kid's Rules Day, we raised a total of £4633.75

During our Spring term, we spent most of our time home schooling, however we were still able to run a few events. The spring Goody Bag, another Happy School Bag collection, and a dress down day, totalling £2520.92. We also launched our GoFundMe page and so far, we are at £2755.00.

Which brings us to our Summer Term. As we mentioned in our last newsletter, we have cancelled our summer fete following the delay in easing of restrictions, and after much deliberation, we will not be able to run a children's only fun day at school this summer. The summer fete would have been our greatest opportunity to boost our fundraising and achieve our goals in supporting our school to pay their ICT costs.

We were hoping to raise enough money this year to buy 70 new iPads (10 for each class), replace out of use classroom laptops, pay for learning subscriptions and hardware and software upgrades. These are only some of the issues our school face in their budgeting crisis.

Whilst we have done well considering the circumstances we have all had to face this year, we would really value a donation this term to help replace the funds we would have raised at our fete. We have 471 families at Eversley and if every family donates, for example, £5 to our GoFundMe page we could raise at least, another £2355.00 before the end of this academic year. That would equate to 7-8 iPads.

As a thank you for your support and donations this year, children can come into school on the last day of term, Friday 23rd July in their own clothes & receive an Ice Pop treat during their morning break.
