## Year 1 Forest School

With it being the first day of autumn we continued with our autumn theme.

We made some beautiful necklaces and bracelets using acorns and gall wasp nests.

Using hand drills the children drilled a hole in the acorn and gall wasp nest. They then threaded a piece of string or pipe cleaner through to make a necklace or bracelet. Sitting in the sunshine crafting, we all had a splendid time together!

## Year 2 Forest School

Year two also had a busy time. The fairies of Oakwood had written the children a thank you note for the lovely shelters that they built last week.

Some children decided to write back, making a pencil by burning the end of a small stick and using the charred end to write the letter. Other children decided to re-build the shelters that had fallen down or been destroyed by the Trolls of Grovelands.... A few children were just enjoying the hammocks!

A big thank you to the forest school volunteers Ilknur and Sayuri, great to have you back!

## Role model of the week

This week's role model of the week is Captain Sir Tom Moore. Captain Tom was a former [British Army](#) officer in India and Burma during the [Second World War](#).

On 6 April 2020, at the age of 99, he began to walk around his garden to raise money for NHS Charities Together during the [COVID-19 pandemic](#), with the goal of raising £1,000 by his hundredth birthday. By 27 April he had raised over £29 million.

Captain Tom taught us that no matter who you are, if you aim high and dream big, you can achieve greatness and make a difference to the lives of others.

Reminder to Parent/Carers

**Re: Influenza Immunisation Session**

Please complete the e-consent form (which was sent via ParentMail) by the 30<sup>th</sup> September 2021.

This can be completed online on any platform including mobile phone, tablet or computer. Please respond even if you do not wish your child to have the Immunisation.

Many thanks

## Morrisons 'It's good to grow' campaign

Eversley has signed up as a school that collects Grow Tokens. This means that each time you shop at Morrisons you will be offered a 'Grow' token. Please follow the instructions on the attached leaflet. With these tokens, we will receive gardening equipment and seeds for free - a great way to expand the edible garden that we started last year.

## #Hello Yellow

On Friday 8th October 2021, we will will be participating in #HelloYellow day to raise money for YoungMinds.

Now, more than ever, young people's mental health provision is in desperate need of extra funding.

This will be a non-uniform day. Please wear something yellow and if possible and bring a donation of up to £2 on this day to help raise essential funds. We will also be showing those struggling with their own mental health issues that they are not alone.

## Birthday Book Donations

We would like to wish Seafra (2F) a very Happy Birthday and thank you for donating a birthday book to your class.

Our value for the month of September is  
**RESPONSIBILITY**

### Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

**The overall school attendance to date is 96.56%**
