

Cut out leaves for The Reading Tree Challenge

The image contains four identical fish-shaped leaves arranged vertically. Each leaf is designed as a template for a reading challenge. The leaves have a dashed outer border for cutting and a solid green inner border. The text on each leaf is as follows:

- Top leaf:** "Title:" (top left), "Author:" (middle left), "I like/didn't like this book because:" (bottom left), and a row of five stars (bottom right).
- Second leaf:** "Title:" (top right), "Author:" (middle right), "I like/didn't like this book because:" (bottom right), and a row of five stars (bottom left).
- Third leaf:** "Title:" (top left), "Author:" (middle left), "I like/didn't like this book because:" (bottom left), and a row of five stars (bottom right).
- Bottom leaf:** "Title:" (top right), "Author:" (middle right), "I like/didn't like this book because:" (bottom right), and a row of five stars (bottom left).

Annotations for the top leaf include:

- "Student initials here" with an arrow pointing to the top right tail of the leaf.
- "Shade your star rating here" with an arrow pointing to the row of stars.
