

British Values

Mutual Respect and Tolerance

We all have different family circumstances; some people need more support than others. Famous people sometimes use their position to encourage us to respect this and reach out to families to do what we can to help.

What have been our values this month?

September

October

November

2nd-8th November

**Do famous people have a
responsibility to use their
voice to help others?**

What is in the news?

Do you know who Marcus Rashford is?

Do you know why he is famous?

Do you know if local cafes or restaurants near you offer/have offered free meals during school holidays?

Why are some people famous?

Create a list on your whiteboard of famous people. Looking at the list, do you know if any of these people support a charity or campaign to raise awareness of an issue?

Famous people have a huge audience as they are well-known to many people so often, their voice can be spread further.

Famous People who help!

Gordon & Tana Ramsay – supports GOSH

Katherine Jenkins – supports Grief Encounter

Wayne Rooney – 1 million for charities working with children

Jamie Oliver- 1.7 million to help educate pupils about food

JK Rowling (Harry Potter) – 13 million to support children in care

Elton John- 34.3 million to help fight a certain disease

You may not be famous, but we need someone who can help!

- We need a President to lead the vision for our school. We are in a pandemic and need a President to help the school.
- We want to hear from anyone who would like to stand as President for Eversley Primary School.
- We need you to write a speech, which you will then present to your class Friday 13th November.
- It will be your job like the American people this week to vote who you think will be the best President to make a difference to our school.
- The winner in each class will then go up against the other classes in their year group. The winner of each year group will then present their speech to the whole school on Friday 20th November.
- Good luck!

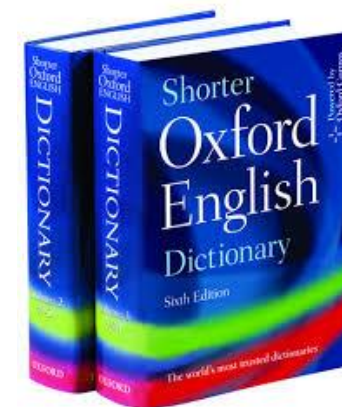

Reflection

Being in the public eye often means people have a larger audience to share their voice with, spreading their message further. We can do this as well.

Help us to remain positive in these uncertain times and continue to help others.
