

## SULTAN HASSAN

Hi! I am a born and bred South London girl and moved to North London when I met my lovely husband Hakan who is also a past Eversley student. Our three daughters; Aleyna (1DC) and twins Kayla and Dilara (5E) are super proud to go to the same school as daddy and having mummy here now is an added bonus. I'm a Broadcast Journalism graduate but work full time as a Laws Officer in Higher Education and volunteer at a London charity fighting hunger and food. I love shopping, support Arsenal football team and enjoy eating pasta and seafood.... well food in general. My best memory at school is field trips and my moto in life is to always give things a go, and on that note have recently learnt how to ride a bike. 😊

## NICKY HAWKINS

Hi I'm Nicky, mum to Abigail (3M) and Emily (1EM). Having grown up in the shadow of Wembley Stadium, I moved to Southgate 9 years ago with my husband Pete. Before becoming a mum, I worked in Advertising for 15 years and am hoping my organisational skills will come in handy with EPSA! I love travelling, long walks, nights out and Toblerone! I'm looking forward to getting to know more of you at all the fantastic EPSA events.

## HALTAN HASSAN

I'm an energetic and ambitious person and always love helping others. This is a very exciting new task I am taking on at Eversley primary school. I have organised a lot of events in the past from charity work to party organisations. I am a business and law graduate and currently managing commercial and residential businesses. I used to coach a football team of under 16's as a hobby which helped me to constantly improve my management skills with individuals. My son Kaan (2F) and younger son soon to join are very excited to have daddy helping at Eversley 🙌👏

## SONYA SHAH

Hi, my name is Sonya, I am mum of two; Reyna (Woodpecker) and Kiyan. I have grown up in various parts of London, studied in Brighton and settled in Southgate two years ago with my husband and children. I work part-time as a GP in the local area and also teach medical students. I have an incredibly sweet tooth and am always looking to try new desserts! I love spending time with my family and seeing friends. My passion is singing, dancing and going to the theatre. I am excited about being part of the EPSA family. By working together with the school and you all, we can continue to give our children the best opportunities.

## OZLEM MEHMET

I am a parent of two children at Eversley; Dilara (Yr3) and Dilşâd (Reception). I am a Professional Support Lawyer (specialising in Employment law) by profession. I have almost forgotten what it's like to have a hobby (!), but my favourite pastime when I do get a moment to myself is curling up with a book (preferably with a cup of coffee). I also enjoy spending time with family and friends, being outdoors (as long as it's not raining), travelling and learning about different cultures/traditions. I love Eversley, am excited to be a part of the new EPSA committee and look forward to working with the team to support our school.
