

# Religious Education

At Eversley Primary School, we develop the children's knowledge and understanding of the major world faiths, and we address the fundamental questions in life. We enable children to develop a sound knowledge of world religions, especially those that are the main faiths of children within our school.

Our aim is for all children to leave Eversley Primary School being able to reflect on what it means to have a faith and to develop their own spiritual knowledge and understanding, being able to learn from religions as well as about religions.
