

Eversley Primary School

ADMISSIONS POLICY

Admissions

Eversley Primary School admits 90 children to Reception each September. We have three classes in our Early Years unit, with a high-quality provision for children starting primary school. Children begin school in September during the academic year in which they become 5. As a Community School, the admissions to the School are the responsibility of the Local Authority. If the School is oversubscribed, the Local Authority's published criteria for admission will be used.

We hold weekly parent tours from October to closing time, where we welcome prospective parents/carers to visit our school. These take place on most Thursdays during term time, at 9.30am. Please email the school for availability (office@eversley.enfield.sch.uk).

If your child has special educational needs or you are worried about any aspect of their development or have any concerns about them starting school, we can arrange for a meeting with our Inclusion Manager.
