Boys Football Report

On Wednesday 5th October the Eversley boys' football team played their opening game of the season against Vita Pax at Southgate School.

The team got off to a fantastic start within the first two minutes as Sebastian weaved in and out of the opposition's defence before firing a low left footed strike into the bottom corner to put the team 1-0 up. The pattern of the game was set with Eversley dominating the ball and it wasn't too long before it was 2-0, a brilliant move by the boys' was finished off expertly by Antonio to double their lead.

Not long after the team got their third, some good work down the right hand side between Oliver and Calum resulted in a fantastic ball to the back post where Yashar was there to make it 3-0 to Eversley. Just before the break the boys' made the game safe, again some great football between Tom and Dilan before the ball was pulled back to Antonio who's cool finish got the team's forth and his second of the game to ensure Eversley had a comfortable lead at the break.

The second half was a continuation of the first with the team dominating possession and creating lots of chances. Nathan picked the ball up just inside the Vita Pax half, he went on a superb run and just when it looked like he was about to score he unselfishly cut the ball back for Calum to tap home to make it 5-0. Andrew was kept quiet throughout the game due to the teams dominance but was called into action midway through the second half, an excellent one handed save to tip the ball around the post preserved the teams clean sheet.

Enjoyment, Perseverance, Self-Belief

With the game entering the final few minutes Eversley got a sixth goal to cap off a fantastic performance. A Vita Pax corner was intercepted by Sebastian; he ran the length of the pitch before finishing calmly with his weak foot.

An excellent start to the season, well done boys!!!

Cross Country

On the 7th October 2022, nine lucky Year 5 and Year 6 children (including me) had a fantastic opportunity to attend a cross country race against other Enfield schools. The competition was high and we all ran our best! The atmosphere was wonderful and Anna was there to cheer us on. We thoroughly enjoyed the experience and we all appreciate the help from Anna, the parent volunteers and everyone who helped out at the race to make it so successful.

England Netball Match

A report from Kira and Eirene (6LW):

On the 9th October 2022, twelve girls from the netball team (randomly selected) went on a trip to the Copper Box Arena to watch England play against Uganda. The trip was a success and we are hoping to have more like this in the future.

At midday, we met at Oakwood Station to get on the Piccadilly line to Holborn. Then, we jumped on the Central line for a few stops before reaching Stratford. We walked for longer than expected due to some barriers and the craze of people.

Entering the stadium, we found our seats and were ecstatic for the match to start. The match was split into four quarters (each 15 minutes long) lasting a total of one hour. England played very well and we were very inspired to see their amazing skill. We couldn't believe how fast they played and how many goals they scored!

At half time, we went off to buy some food – there was a choice of nachos, pizza twists and hotdogs. The match was very enjoyable and we are hoping for another trip like this soon. As a plus, England this game 64-51 meaning they won the series 3-0, making it a clean sweep for the Vitality Roses Netball Team. The atmosphere was brilliant and our favourite part was starting a chant and seeing it ripple around the whole stadium – even people on the opposite side to us were clapping and shouting along!

We all got home safely (although there was a massive crowd flooding out from the West Ham football stadium next door, delaying us by an hour!).

We would like to say a big thank you to Miss Kilkenny and Miss Boothby for this amazing trip.

Enjoyment, Perseverance, Self-Belief

Netball Report

On Monday 10th October the Year 6's had their first netball fixture. Nine girls from our netball squad represented Eversley in our first 2 'Cluster League' matches at Merryhills Primary School. Across the course of the year, we will go to Merryhills Primary School to play all of the local schools in the Cluster League.

We got off to a fantastic start against Grange Park Prep. Havin and Esmee played brilliantly in the shooting circle, managing to score 5 goals in the first half alone! In the second half Alara swapped in and we increased our lead by a further 2 goals. Orla and Jasaiya did an amazing job in defense, and the final score was 6-4. Our midcourt players (Kimmi, Sienna, Alexandra and Kira) kept the ball flowing, performed brilliant interceptions and were dodging and finding spaces really well.

Our second game was against a very strong team from St Monica's. We are really proud of how hard the girls kept on working, despite St Monica's pulling away from the start. The final score was 24-2 to St Monica's, but the girls showed so much resilience, positivity and above all, fantastic sportsmanship! It's an important skill to learn to lose respectfully, and we have a clear target for where we can improve in training!

Well done all of you!

(Miss Boothby and Miss Kilkenny)
