Boys Football Report

On Wednesday 22nd February the Eversley boys football team played the second round of their cluster league games at Southgate school.

Up first for the boys was De Bohun. The team started brightly and their high intensity paid off within minutes of the kick off. Some great pressing from the front from Antonio and Calum led to a mistake from the De Bohun defence before Calum's brilliant left footed finish put the boys 1-0 up. Almost straight after, Antonio played a superb lofted ball over the De Bohun defence to Calum who fired in his second to double Eversley's lead. The team were playing brilliantly and Calum had a first half hat trick moments later. Some excellent football from Dilan and Sebastian ended with a low cross into the box where Calum was waiting at the back post to get his third of the game. Just before half time the game was put to bed when Sebastian went on a brilliant run before rifling a powerful shot past the De Bohun keeper to cap off an outstanding first half of football.

The second half followed a similar pattern to the first. Eversley were completely dominant and got their 5th goal of the game mid way through the second half. Oliver and Yashar linked up well on the right hand side before Yashar played a sublime pass right through the De Bohun defence to Antonio, who finished expertly to make it 5-0 to the team. In the final minutes Sebastian rounded the game off in style, after a stunning strike flew past the De Bohun keeper to give Eversley a comprehensive 6-0 victory.

Enjoyment, Perseverance, Self-Belief

The second game for the boys was against Salcombe. Just like the opening match the team started fast and went up 1-0 immediately. Some great build up play from Nathan and Antonio ended with Sebastian tapping in at the near post to give Eversley the lead. Moments later the boys made it 2-0. Tom played an excellent through ball to Sebastian whose composed finish doubled the teams lead. Just before the break the game was safe. Antonio weaved in and out of the Salcombe defence, before firing in from close range to make it 3-0 to Eversley at half time.

There was no let up in the second half and within minutes of the restart it was 4-0 to Eversley. Sebastian's unstoppable long range strike nestled in the top corner to get his hat trick. Immediately after a mistake in the Salcombe defence led to Calum pouncing on a loose ball to make it 5-0 to the boys. Salcombe pulled a goal back after a great save from Andrew fell to the Salcombe forward who tapped in from close range. This was just a mere consolation as the boys responded instantly with Antonio getting his second of the game. He played a great one, two with Yashar before finishing expertly to make it 6-1. With the game in the final stages, Sebastian finished off a brilliant move to get his fourth of the game and the teams seventh.

This was a first class showing from the boys. Some of the football they played in both matches was brilliant and to score thirteen goals in two matches is incredible. That's now three wins from three in the league, scoring nineteen goals and only conceding one. Their outstanding season continues.

Well done boys!!!
