Boys Football Report

On Wednesday 17th May the Eversley boys football team played Galliard in the Quarter Finals of the Fursman Cup.

The game started slowly with both teams not giving much away. Eversley soon took control and after five minutes took the lead. A brilliant ball from Antonio into Dilan left him one on one with the Galliard goalkeeper. After composing himself, he slotted the ball into the bottom corner to put Eversley 1-0 up.

Galliard responded well and if it wasn't for some excellent defending from Nathan and Tom to stop counter attacks, they could've had an opportunity to level the score. The game was heading towards half time when Calum zipped the ball into Antonio's feet, his unstoppable first time volley flew past the Galliard keeper to double the teams lead just before the break.

Into the second half and Galliard started brightly, pushing for a goal to get them back in the game. Some outstanding saves from Andrew kept them out to preserve Eversley's clean sheet. The boys had some chances too with Yashar's shot cleared off the line which would've made the game safe. Mid-way through the second half the next goal was going to be pivotal. Sebastian played a brilliant through ball to set Antonio free, he was fouled in the box and Eversley had a penalty. Sebastian stepped up and blasted the ball past the keeper to make it 3-0 to Eversley and send the boys into the semi finals!!

The boys will now face Oakthorpe or Wolfson in the semi finals. What a season it has been! Keep it going boys!!!
