Year 1	Christmas card project Drawing- Make Your Mark Developing observational drawing skills when exploring mark-making . Children use a range of tools, investigating how texture can be created in drawings. They apply their skills to a collaborative piece using music as a stimulus and investigate artists Bridget Riley and Zaria Forman.	Painting & mixed media-Colour Splash Exploring colour mixing through paint play, children use a range of tools and work on different surfaces. They create paintings inspired by Clarice Cliff and Jasper Johns. Sculpture & 3D- Paper Play Creating simple three dimensional shapes and structures using familiar materials, children develop skills in manipulating paper and card. They fold, roll and scrunch materials to make their own sculpture inspired by the 'Tree of life' screen at the Sidi Saiyyed Mosque. There are opportunities to extend learning to make a collaborative sculptural piece based on the art of Louise Bourgeois.	Art spotlight 'The artist in me' project Whole school exhibition Craft & Design- Woven Wonders Learning fibre art skills such as plaiting, threading, knotting and weaving to create three-dimensional woven artworks inspired by artist Cecilia Vicuña.
Year 2	Christmas card project Drawing- Tell a Story Using storybook illustration as a stimulus, children develop their mark making skills to explore a wider range of tools and experiment with creating patterned surfaces to add texture and detail to drawings.	Painting & mixed media- Life in Colour Taking inspiration from the collage work of artist Romare Bearden, children consolidate their knowledge of colour mixing and create textures in paint using different tools. They create their own painted paper in the style of Bearden and use it in a collage, linked to a theme suited to their topic or classwork.	Art spotlight 'The artist in me' project Whole school exhibition Craft & Design- Map it Out Responding to a design brief, children create a piece of art that represents their local area using a map as their

		Sculpture & 3D- Clay Houses Developing their ability to work with clay, children learn how to create simple thumb pots then explore the work of sculptor Rachel Whiteread and apply her ideas in a final piece that uses techniques such as cutting, shaping, joining and impressing into clay.	stimulus. They learn three techniques for working creatively with materials and at the end of the project, evaluate their design ideas, choosing the best to meet the brief.
Year 3	Christmas card project Craft & Design- Ancient Egyptian Scrolls Learning about the way colour, scale and pattern influenced ancient Egyptian art, children explore the technique of papermaking to create a papyrus-style scroll. Ideas are extended to create a modern response by designing a 'zine'.	Drawing-Growing Artists Using botanical drawings and scientific plant studies as inspiration, pupils explore the techniques of artists such as Georgia O'Keefe and Maud Purdy to draw natural forms, becoming aware of differences in the choice of drawing medium, scale and the way tonal shading can help create form. Sculpture & 3D-Abstract Shape & Space Exploring how shapes and negative spaces can be represented by three dimensional forms. Manipulating a range of materials, children learn ways to join and create free-standing structures inspired by the work of Anthony Caro and Ruth Asawa.	Art spotlight 'The artist in me' project Whole school exhibition Painting & mixed media-Prehistoric Painting Investigating making their own paints, making tools and painting on different surfaces, the children explore prehistoric art.

Year 4	Christmas card project Drawing- Power Prints Using everyday electrical items as a starting point, pupils develop an awareness of composition in drawing and combine media for effect when developing a drawing into a print.	Painting & Mixed Media- Light & Dark Developing colour mixing skills, using shades and tints to show form and create three dimensions when painting. Pupils learn about composition and plan their own still life to paint, applying chosen techniques. Sculpture & 3D-Mega Materials Exploring the way different materials can be shaped and joined, learning about techniques used by artists as diverse as Barbara Hepworth and Sokari Douglas-Camp and creating their own sculptures	Art spotlight 'The artist in me' project Whole school exhibition Craft & Design- Fabric of Nature Using flora and fauna of tropical rainforests as a starting point, children develop drawings through experimentation and textile-based techniques to a design a repeating pattern suitable for fabric.
Year 5	Christmas card project Painting & Mixed Media- Portraits Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self-portraits in mixed-media.	Drawing- I Need Space Developing ideas more independently, pupils consider the purpose of drawings as they investigate how imagery was used in the 'Space race' that began in the 1950s. They combine collage and printmaking to create a piece in their own style. Sculpture & 3D-Interactive Installation Using inspiration of historical monuments and modern installations, children plan by researching and drawing, a sculpture to fit a design brief. They investigate scale, the display	Art spotlight 'The artist in me' project Whole school exhibition Craft & Design- Architecture Investigating the built environment through drawing and printmaking, learning about the work of architect Zaha Hadid and creating their own building designs, creatively presenting
