HELLO FROM
PRIYA & ELISA

Bonjour! ¡Hola! Ciao!

We are Priya & Elisa and we run the team behind Lingotot Southgate. We deliver in-school language teaching, after school clubs, lunch clubs, baby and toddler sessions, and holiday camps across a large proportion of North London. We are part of the wider, multi-award-winning Lingotot network.

We are delighted to be working in partnership with Eversley Primary School to continue to offer French lessons after school for the new Autumn Term.

Our sessions are full of movement, play and music. We work hard to ensure that children enjoy every part of the process of learning and/or practising a foreign language.

The Lingotot method of teaching is tried and tested - and it works. we hope that your child will be uplifted and happy after each of our sessions. And from what we hear, it won't be long before you find them singing a Lingotot song or speaking in the target language to their siblings or toys - it really is a joy to see the children learning through play, music and fun.

All our after school clubs are based on accredited curriculums and follow the same structure:

- Arrival and settling down for 5 minutes colouring the vocabulary of the day. This will enable the children to see in graphic form what they will be learning.
- Welcome songs. We sing three (very catchy) songs to start our lessons and, by the third week, children start giving us (and you at home) impromptu renditions!
- Introduction of the vocabulary with three/four familiar games or team challenges, from "Statues" and "What's The Time Mr Wolf" to "Do it if it's True", or "Fly Swat", or "Simon Says", or even races!
- If time allows, we do a craft and activity sheet to take home and remind us of what we learned.
- And finally, we have a story and little dance at the end to say goodbye.

Our after school French sessions are available to children in Reception up to Y4 on Wednesdays. We would love to see your child at our club and if you wish to reserve a place on the course for September 23, please visit:

Cookery Club – Autumn term 2023

For ages 5 and up. The children will learn simple cooking skills, and cook a variety of interesting dishes each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food. My cooking classes run in a number of schools in North London – where my lessons are popular and oversubscribed. I also run my own cookery school for adults and teach cooking to vulnerable families as part of HomeStart charity.

Cookery club will run on Mondays, Tuesdays and Fridays, after school, in the Training Room. All equipment and ingredients provided.

Cost is £14 per lesson. Please register your interest with Samina at si.remote@gmail.com as soon as possible.
