

# Languages (French) at Eversley

*'The limits of my language mean the limits of my world.'*  
– Ludwig Wittgenstein

Je parle  
français

At Eversley Primary School we provide a high-quality language education which fosters pupils' curiosity and deepens their understanding of the world. We enable pupils to express their ideas and thoughts in French and to understand and respond to its speakers, both in speech and in writing. We also provide opportunities for them to communicate for practical purposes, learn new ways of thinking and appreciate stories, songs, poems and rhymes in the language. We see learning a foreign language as an opportunity to learn more about the different cultures, countries and traditions in the world around us as well as learning more about our own languages. Our aim is for all children to leave Eversley Primary School with a solid foundation for learning further languages, equipping pupils to study and work in other countries.

Children in EYFS and Key stage one experience languages vocabulary and pronunciation through songs, rhymes and games which cover:

- Greetings
- Numbers
- Colours
- Days
- Food
- Animals
