

Reading at Eversley

"The more that you read, the more things you will know. The more that you learn the more places you'll go." Dr Seuss.

At Eversley Primary School we recognise the importance of reading as a life skill that will open many doors for our pupils. We understand the significant role played by parents, teachers and support staff in supporting children to read with enjoyment, fluency and deep understanding.

These are the "core texts" which build our current reading spine at Eversley for whole class reading. EYFS and Y1 learn to read following RWInc decodable books and core texts as listed below in English lessons. In addition to this spine children read a wide variety of well-chosen texts in English lessons and across the curriculum.
