

Reading Newsletter

September Issue 2023

Value of the month: Responsibility

Welcome back! And welcome to our first Reading Newsletter this year, in which we will keep you updated about all things reading on a monthly basis at Eversley.

We are authors...

We are celebrating our year 6 2023 leavers in this month's newsletter...they are now all published authors. Over 2,500 Key Stage 2 pupils, including our year 6, worked together with award-winning children's author Sita Brahmachari and Caribbean-English illustrator Lucy Farfort to publish their versions of Brahmachari's new environmental tale, 'Rewilding Dream'. Their book was published at the end of last term and each member of Year 6 was presented with their own copy during a special reading performance at the Southbank Centre.

If you would like to read our book the Eversley library has a very special signed copy that you may like to borrow this term.

Library visits

The Eversley Library will be re-opening this term.

Each class will have a timetabled slot to visit the library; including time to browse and read the books before choosing a book to take home and read.

Please do take care of our library books!

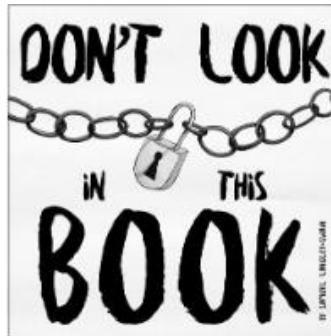

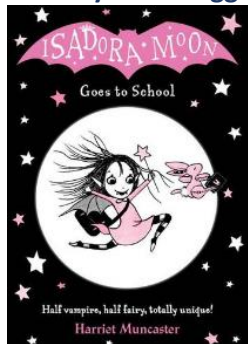

As always, we are grateful for donations of good quality books for the library and particular requests from staff and children will be published in these reading letters.

Birthday Books

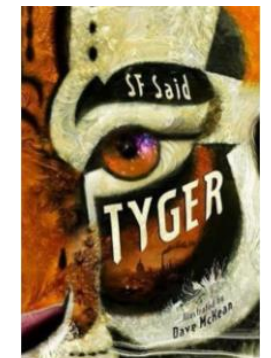

If you are looking for a way to celebrate your child's birthday then we would love to encourage you to contribute a book to the school on their behalf. Each gifted book will be given a book template inside the cover with your child's name on it and their names will be included in our newsletter and library noticeboard. We will be regularly listing books that we would like to have in the school library or that the children have requested to have in their class reading areas ...for ideas to get started take a look at our September suggestions for KS1 & KS2 today!
