

Dear Parents and Carers,

I hope you are well and having a good week.

Parent Workshops and Learning Cafes

It has been great to see so many parents and carers attending the different workshops, meetings and learning cafes this week.

This week, Mrs Ratip has been delivering fantastic 'Maths Mastery Workshops' for parents in Reception, Years 1 & 2. Parents have had the opportunity to come in and work alongside their child developing an understanding of how maths is taught. The feedback has been really positive and parents feel they now have the skills needed to support their child/children at home.

Over the last three weeks Miss Goddard and the Reception team have been holding 'Phonics Cafes' for Reception parents. It has been a great opportunity to see how phonics is taught and then how it is developed throughout the day by having different workstations set up within the classrooms. The feedback again has been really positive from parents

who attended. They really enjoyed the range of activities the reception team had set up for them to explore with their child/children.

Over the last two weeks Mrs Georgiou and Mrs Kirkpatrick have held two meetings to share the new behaviour policy, which is now being embedded across the school. The parents/carers developed a better understanding of how behaviour is managed in a trauma informed way. If you would like to find out more, then please visit our website and read the new behaviour policy.

Children in Need

Thank you to the House Captains who presented the Children in Need assembly today.

The whole school learnt lots of facts about how Children In Need started and why they raise money. They shared a video with the children, which really captured the children's attention about children who are currently living in poverty. Please see below the link:

We were also able to link this to our big question **'How can we show compassion to others?'** We discussed different ways we can show compassion to all.

Well done to Matthew in Year 6 who was able to link today's assembly to the British Value 'Mutual Respect and Tolerance'.

Today's assembly also linked to the United Nation Article 27 for Children's Rights. All children have the right to food, clothing and a safe place to live. The Government should help families whose children may be suffering.

Thank you to everyone who has made a donation to Children in Need. The House Captains will announce how much we raised next week.

Mastering Number Maths Parent workshops- KS1 contd...

Please do not worry if you were unable to attend. All slides shared will be sent home via parentmail, all printed resources will be sent home with your child on Monday 20th November and also added to Microsoft Teams under your child's login.

We look forward to working with the remainder of KS1 and EYFS parents next week. Just a quick reminder that next week's workshops will take place 9-10am in the infant hall and are as follow:

Monday 20th November - 1M class and parents

Tuesday 21st November - Woodpecker class and parents

Wednesday 22nd November - Kingfisher class and parents

Thursday 23rd November - Nightingale class and parents

Thank you once again for your continued support,

Jale Ratip

Forest School News

We had reflective sessions for the year 1 and 5 this week, we were thinking and speaking about how it would have felt on the 11th November 1918 and the months leading up to that day, and how something so beautiful as a poppy field could grow where something so awful happened.

We set out to make our own poppy field. The year 5 children made poppies weaving red and black wool between 2 sticks to create a pattern.

The year 1 children made leaf art poppies, making use of all the autumn leaves falling down.

Thank you Year 1 and year 5 Teams!

Forest School News contd...

The Nightingales were busy looking and learning about spiders, we rigged up a giant spiderweb on the forest school site that the children were busy climbing in and out of. Some children went in search of spiders, we found some but came to the conclusion with all the wet weather we've had of late the spiders are probably indoors!

Anna Reekie - Forest School

Congratulations!

On Saturday 11th November, Skyler (5H) competed in the London Regional Gymnastics competition in Redbridge and came 1st, scoring the highest points for her year group as well as the highest points for floor routine among her gymnastics school and was crowned regional champion!!

Well done Skyler, we are all proud of your achievements.

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96.28%

Inconsiderate Parking/Driving

Please remember that Oakwood Crescent is a public road.

Residents experience a huge deal of disruption from Eversley traffic. It would help relations with local residents if parents remember the following:

- The unofficial one-way system in operation in Oakwood Crescent which runs from Chaseville Park Road to Eversley Park Road
- Please do not park over residents' driveways
- Please do not make a U-turn over residents' driveways
- Please do not park on the yellow zigzag lines or yellow lines
- Please do not stop your car in the middle of the road to allow your child into or out of the car
- Please do not leave your parked vehicle unattended with the engine running
- Please do not leave your vehicle engine running unnecessarily while your vehicle is stationary
- Please do not drive your vehicle whilst using a mobile phone

Residents have been advised to contact the Police and local authority to report any incidents.
