Enfield Tag Rugby Tournament

On Friday the 17th of November, a tag rugby tournament took place at Enfield Ignatians Rugby Club. Our school's team consisted of 10 individuals: Heath, Preston, Alex, Cicely, Anya, Arielle, Berat, Pavlo, Luke, and Larissa.

Each person on this team showed determination and teamwork, as well as all showcasing their unique skills and strengths, which hugely benefitted the team.

Throughout the tournament, our team displayed exceptional resilience and therefore lost only two out of seven games, which is outstanding. One game the whole team is especially proud of, is a game where we won 5-0, which shows how the team is brilliant at both defending and, of course, scoring. Throughout each of the games, everyone stayed consistent with their efforts, and scored an unbelievable 28 tries!

Finally, I would like to say thank you to Mr Halloran, Anna, and the parents who took us, for supporting us throughout.
