## Our Voice Drop-in service at the Ponders End Youth and Family Hub

We are delighted to announce the launch of our regular drop-in service at the Ponders End Youth and Family Hub. Or you can just take the opportunity to offload and have a chat with other parents who experience some of the same challenges as you.

We will launch the service on Wednesday 6<sup>th</sup> December (see next page for details) and the service will be up and running from January 2024.

The dates for January and February 2024 will be :

## What are Youth and Family Hubs?

The Youth and Family Hubs are welcoming and friendly centres open to all families, children and young people. They bring together a variety of different services to support families and young people to get the help they need. Although they are not specific to children and young people with additional needs, we are working closely with the hubs to ensure that SEND provision remains a significant part of their offering.

You can find out more about what the hubs do at <https://www.enfield.gov.uk/services/children-and-education/youth-and-family-hubs#enfields-youth-and-family-hubs>

## Launch of the Youth and Family Hub

You can also see Our Voice alongside a variety of other organisations at the Youth and Family Hub launch event on Wednesday 13<sup>th</sup> December.

This is a good opportunity to find out more about what the new hub will offer.

## Other Youth and Family Hubs events coming up

The Ponders End hub runs a variety of different regular sessions. You can see details of these at:

<https://www.enfield.gov.uk/services/children-and-education/youth-and-family-hubs#ponders-end-youth-and-family-hub-activities>

The hubs run regular coffee and cake mornings every Monday. These are not specific to the parents and carers of children with additional needs.
