High 5 Netball Tournament

Before half term, our Year 6 netball squad took part in a High 5 netball tournament held at Enfield County School. There was a fantastic turn out with 13 schools across the borough taking part, including Raglan, Grange Park Prep, Hazelbury, Vita et Pax and Salcombe. The tournament followed the 'High 5' structure, with each team having 5 players on court at a time.

The tournament consisted of 3 different groups, with all teams playing each other within their group.

Eversley were in Group 1 with St Paul's, Hazelbury and Forty Hill.

Our first game was against Hazelbury, who put together a strong side. They had some brilliant shooters, and while our defence did a great job, Hazelbury came out on top and beat us 4-0.

Warmed up from our first game, Eversley came out feeling determined and played a great second game against Forty Hill resulting in a 1-0 victory - well done Pavlo for scoring!

Our last group game was against St Paul's and the score was 0-0. It was so unfortunate that we didn't manage to win this one, as Eversley definitely looked the stronger team and maintained most of the possession - we just couldn't quite manage to convert the goals to win the game!

Eversley finished 2nd in their group, therefore played against the other two groups' runners up. The standard was really high and unfortunately we lost both matches 4-0 to St Matthew's and Raglan.

We are so proud of all our players, who did an amazing job representing Eversley. Despite a few losses and an unfortunate draw, the players all showed amazing sportsmanship and supported each other throughout; it was a really enjoyable afternoon of netball.

Aim High and Be Kind
