

8<sup>th</sup> March 2024 (22)

Dear Parents and Carers,

I hope you are all having a good week.

### Environment Cabinet

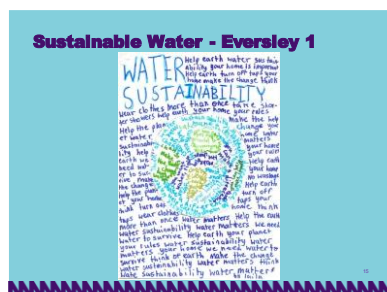

Last term, the Environment Cabinet set a sustainable water poster competition. The cabinet then looked at all the posters and selected 3 to go through to the next stage.

On Thursday 7<sup>th</sup> March, Esther (Prime Minister) and Sophia (Deputy Prime Minister) attended a meeting with 7 other schools in Connect Educational Trust. Each school selected 3 posters to enter the final, which represented the bioregional principles they are working to improve within their school. These are listed below

<b>Health and happiness</b>		Encouraging active, social, meaningful lives to promote good health and wellbeing						
<b>Equity and local economy</b>		Creating safe, equitable places to live and work which support local prosperity and international fair trade						
<b>Culture and community</b>		Nurturing local identity and heritage, empowering communities and promoting a culture of sustainable living						
<b>Land and nature</b>		Protecting and restoring land for the benefit of people and wildlife						
<b>Sustainable water</b>		Using water efficiently, protecting local water resources and reducing flooding and drought						
<b>Local and sustainable food</b>		Promoting sustainable humane farming and healthy diets high in local, seasonal organic food and vegetable protein						
<b>Travel and transport</b>		Reducing the need to travel, encouraging walking, cycling and low carbon transport						
<b>Materials and products</b>		Using materials from sustainable sources and promoting products which help people reduce consumption						
<b>Zero waste</b>		Reducing consumption, re-using and recycling to achieve zero waste and zero pollution						
<b>Zero carbon energy</b>		Making buildings and manufacturing energy efficient and supplying all energy with renewables						

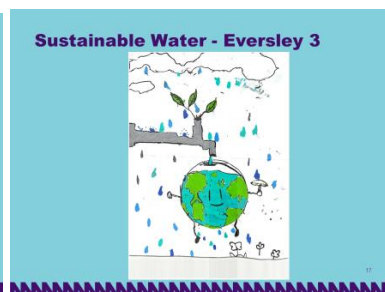

Eversley children had designed posters to support our school and families being more sustainable with water. Below are the final three.

Congratulations to Ermes who won! He now has a voucher to spend from the Environment Cabinet and his poster will now be made into a professional poster together with the winners from the other schools.

### **Congratulations!**

Congratulations to Melodi (5A) who passed her Grade 1 piano exam last week!

Congratulations also to Alice (5A) who competed in the National Primary Cross Country Finals in Loughborough on Sunday and finished 5th in the Y5 Girls race!

There were 300 girls from across the country in her race so that's pretty good going, especially as it was very, very muddy.

### **Bird Box Competition**

Alice and the Environment Cabinet also organised the bird box competition and the whole school voted for the winner last week. Congratulations to Alan (5A) who made an amazing bird box! Thank you to everyone who entered - they were all brilliant. They are currently displayed in classrooms and around the school and at the end of term the children can decide if they want to take them home or be kept in the school environment for birds to nest in.

## Red Nose Day

Here it is again!

This year Eversley is contributing to support this amazing event and it will take place on Friday 15<sup>th</sup> March. The children will be allowed to wear anything red e.g. red shoes or red hair, etc. We are asking for a minimum donation of £2. All the money that we raise will go to Comic Relief to help those in need.

Unfortunately, we are unable to sell red noses this year.  
Happy Red Nose Day!!!

### Forest School News

Another muddy week at Forest school, the Kingfishers got the worst of it but they were super resilient and got on with exploring the site. We did try to encourage the children to make necklaces for Mother's Day, but most of the children just wanted to run around and explore - I can't say I blame them!

### **Forest School News contd...**

For years 3 and 4, the rain held off and the children made Mother's Day cards. Using the Hapa Zome technic, which is putting a flower or a leaf inbetween two pieces of fabric and gently tapping the top with a mallet to make the pigments of the plant, make a print on the fabric. The print was then glued onto a card which was further decorated with craft material.

As always the children were super good, especially the year 4's who had the added extra of participating on World Book Day!

Thank you to team Kingfisher, year 3 and year 4 for your support!

### Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

**The overall school attendance to date is 95.75%**
