

27th March 2024 (25)

Dear Parents and Carers,

I hope you are all looking forward to the Easter break and spending time with friends and family.

STEM Festival

Ellie, Alice, Riaan and Rowan from 5A attended the STEM Festival on Wednesday 13th March at Middlesex University. The children were involved in various interesting activities throughout the day which included testing their hand strength and how high they could jump on state of the art sports equipment, looked at moths, butterflies and moss through a microscope and learnt where bugs can live. They met Ruth Amos (Award-winning British inventor), did some fun challenges and quizzes reinforcing STEM concepts and went on the virtual reality roller coaster.

For those children that are attending the Easter camp, I look forward to seeing you there.

I look forward to seeing everyone back at school on Monday 15th April 2024.

Best wishes,

Samantha Williams
Headteacher

Aim High and Be Kind

Great Fire Of London Day!

This week, year 2 took part in a fantastic workshop based around the events of the 'Great Fire of London'. They took part in many activities including candle making, soap and bread making and much more. The children were immersed into a world from the past by a fantastic actor who kept them fully engaged the whole time. They had so much fun and we are sure you will hear lots of interesting facts about the day!

Reception Outdoor Area and Resources:

Please can parents/carers be reminded to ensure that their children do not climb on or play with the Reception resources after school. This is our learning environment and we need to make sure that resources and equipment are kept safe as areas are often set up in preparation for the following day, which takes a great deal of staff time and effort. Children will be told to leave areas if staff see them using any of the equipment or resources out of school hours.

Thank you for your cooperation in this important matter and for keeping our school tidy and ready for learning.

Mrs Towli

Our value for the month of March is

Tolerance

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 95.67%

Cluster League Matches

Eversley had their third and final set of 'Cluster League' matches on Monday 25th March. Many other local schools came to Eversley to play some fantastic high quality netball. We had 3 games back to back, against St Michael's at Bowes (SMaB), Oakthorpe and Merryhills. Each game was two halves of 7 minutes each and we had fantastic support from our parents too!

We got off to a brilliant start in our first match against SMaB. We won the first half 1-0, but in the second half they managed to equalise. Both teams scored one more goal meaning the final score was a draw at 2-2.

Next up was Oakthorpe. Just like our first game, the team managed to pull away to a 1-0 lead at half time. During the second half, both teams scored which meant we won 2-1!

Our final game was against Merryhills. We were dominating this game and were 1-0 up for most of the first half. Merryhills managed to score a goal towards the end of the first half. In a nail biting 2nd half, we went up to 2-1 before they equalised, up to 3-2 before they equalised again! We were definitely looking like the stronger team, and unfortunately Merryhills just managed to hold on for a final score of 3-3 - it certainly felt like we deserved to win that one!

It was a brilliant afternoon of netball and we are so proud of Jack, Sienna, Amelia, Heath, Larissa and Emir. They did a wonderful job and supported each other throughout. Well done!!

The PE Team

Dates for Diary – Spring/Summer 2024

Date	Time	Event
Thursday 28th March	School Closed	Inset Day - School Closed to Children
Friday 29th March - Friday 12th April	School Closed	Easter Holiday
Please remember to book your child's school meals before returning to school
