

Dear Parents/Carers,

As we approach the end of our first term, EPSA would like to thank you for your support and encouragement in supporting our scheduled events next term.

As EPSA, our aims are to add to the children's enjoyment and enrichment at school and our attendees to the Coffee Morning and EPSA committee meeting on Thursday 12th October really showed the strong support within our school community.

Our objective for this year is to put on our annual Secret Santa, Eversley Christmas Bingo and an anticipated Choir Service just before the end of next term. Our Secret Santa and Eversley Christmas Bingo events will be shared with you by Thursday 19th October with all the information you need via ParentMail and also on ParentPay for you to purchase your child a ticket to take part. Both these events will take place during school hours and your child will be excused up to 20 mins from their learning. These events raise lots of money for the school and also well received by all. So please support us.

We'd also like to share with you that there will be no Winter Fair this year. Many parents/carers raised their disappointment about this news and we hope that you will be satisfied with the reasons why this decision has been made. Full minutes from the meeting will have already been shared or will be shared soon via your class reps. On that note, we'd like to remind you that Class 1M and Class 2PS still have no EPSA Class Rep. This means they will continue to be out of the loop with certain news to do with EPSA. Please encourage someone to step into this role - we promise it's not that demanding!!!

With special reference to the Secret Santa event, there will be a Secret Santa Donations period noted on the school calendar between Monday 30th October – Friday 10th November. To help us raise the full potential at this event, we'd like you to donate any new unwanted gifts. Please send the items with your children into school where they will be able to place the contents in a labelled box in their classroom. Through your donations not only will you be decluttering your unwanted things but also help us avoid spending money on buying stock. Remember, what is useless to one person is valuable to another. We will accept things as follows, but not limited to:

- Bath sets
- candles
- chocolates, alcohol
- jewellery
- perfume, toiletries, kitchen gifts and gadgets
- kid's toys aged (3-6 and 7-11 years) etc

Wishing you all a restful and wonderful half term.

Sultan & Haltan
