Year 4 Football

On Monday 25th March, Eversley took two teams to participate in Year 4 friendly matches at Churchfield school.

Blue Team - Phillip, Jaylen, Max, Aydin, Gabriel, Krish, Miles

Red Team - Suleyman, Arel, Nicholas, Zachary, Ektoras, Shay, Theo B

The aim of the afternoon was to give the boys a chance to enjoy playing football matches for their school.

Both teams played four matches each in total. The blue team managed to stay unbeaten winning two and drawing two, meanwhile the red team won two, drew one and lost one.

The boys showcased some fantastic skills and scored some brilliant goals.

All of the boys represented Eversley impeccably and showed great sportsmanship to their peers. Well done boys!!!

Finally, I would like to say a huge thank you to Susan, Jordan and Chris (Phillip's dad) for their support throughout the afternoon.

Boys Football Report

On Wednesday 17th April the Eversley boys team played the final round of their cluster league games at Southgate School.

Eversley knew they needed to win both of their matches against Vita Et Pax and St Andrew's to win the league.

Eversley 8-0 Vita Et Pax (Goal, Alex 5, Ledion 1, Jeron 1, Cameron 1)

Eversley 2-1 St Andrew's (Goal, Alex, Own goal)

The boys produced two outstanding performances but unfortunately it wasn't enough to win the league.

The first game highlighted the quality this team possesses. Some of the football particularly the passing and link up play was exceptional. To win any game 8-0 regardless of the opposition is a remarkable achievement.

The second game the team faced was St Andrew's who had won all of their league games in the lead up. The boys put in a brilliant performance from start to finish and were deserved winners.

The team can be so immensely proud of their league campaign. They were extremely unfortunate to drop points in two games against school's that on a different day they would've beaten. They can take great heart from the fact they were the only team to beat the eventual league winners St Andrew's. This shows they are at least on par if not better than the strongest team in the league. Well done boys!!!

Finally, I would like to say a huge thank you to Miss Kilkeny for her support throughout the afternoon.
