Boys Football Report

On Thursday 17th October, the Eversley boys football team played the next round of their cluster league at Southgate school.

The boys played two matches and their results were:

Eversley 3-2 Hadley Wood (Goals, Emiliano, Own goal 2)

Eversley 0-0 Merryhills

The team really stepped up their levels in these two matches. The performance in particular against Hadley Wood was of a high level and the scoreline didn't reflect Eversley's overall dominance.

The Merryhills game was very evenly contested with the boys having the majority of the territory in the Merryhills half. With both defences on top neither side was able to create the opening they needed to win the game.

Overall, the boys can be extremely pleased with their performances. The step up in their level from the first round of matches to the second was vast.

They can now use this as a springboard for the rest of the season. Well done boys!!!

Finally, I would like to thank Nic for his help and support throughout the afternoon.

Forty Hall Cross Country Championships

On Friday the 11th October, students were selected to represent Eversley in the Enfield Schools cross country race for Years 5 and 6. The race at Forty Hall was on a bumpy path and ended going up a steep, grassy hill. There were over 120 competitors in each race and it was just under 1.5 km (about a mile).

Unfortunately, a resident cow changed the course as it was standing on the start line! It was a cold but sunny day, perfect conditions for a run. Competitors for our school were:

Alice (6LD), Dilara (6K), Sude (6K), Annabel (5H), Pavlina (5BH), Archie (6K), Dominic (6K), Zachary (6LD) and Jaylen (5DZ)

Well done everyone who competed! Great job!

There are over 100 participants in both races. For Alice and Zachary to win their individual race is a phenomenal achievement and something they should be extremely proud of. They will now be selected to represent Enfield at the London Youth Games in November.

All of the children can be so pleased with their efforts and performances. Well done to all!!!

Finally, I would like to thank Semra (Sude's mum), Lucy (Zachary's mum) and James (Alice's dad) for their help and support throughout the afternoon.
